## ANNUAL REPORT

1985-86

It is my pleasure to report to you, the members of S.T.C. South Camberwell Cricket Club the 19th Annual Report on the activities of the Club.

We once again fielded four sides in the matting section of the Eastern Suburbs Cricket Association and three teams in the Junior Section. We are now the largest matting club in the Association. Although not winning a premiership our on field performances were the Clubs best, for the second consecutive year the first, second and third elevens made the semi-finals with both the firsts and seconds reaching their grand finals. In their third year the fourth eleven won more games than in their previous seasons. The Under 16's and Under 14's struggled against bigger and better teams, however the Under 12's had their most successful year in the club's history.

Unfortunately none of the sides went on to that ultimate win in the Grand Final, the captains and team managers reports detail more fully the team performances.

I wish to acknowledge the efforts of all players who in adversity during the season showed great team spirit and club loyalty. We operated throughout the season without any club rooms, no toilets, power and on occasions no water. The inefficiencies of the Camberwell City Council while obvious for all to see were of no consolation to any of our 7 sides. Next season, our 20th, we will be able to offer possibly the best social facilities in the E.S.C.A.

My congratulations and thanks go to all team captains, our junior co-ordinator and junior team managers for their efforts and level of leadership shown throughout the season.

Our success this past year, whilst no doubt due to the onfield efforts of all players would not have been possible without the efforts of those on the Clubs Committee of Management. Special mention should be made of the work done by our Vice-President John Krohn and by Paul McHenry. Both made themselves available for many and varied duties. Apart from the responsibilities they undertook at the start of the season John did all the early leg work in obtaining the Clubs liquor licence and later in the year stepped in to help in the running of the under 16's. Paul helped whenever and wherever he could and finally took over as Club Secretary on the resignation of Margaret Smith.

Our Treasurer Glen Findlay put many hours of hard work into keeping our records up to date and the club in a healthy financial position. Tim Allen before his accident with a stubbie did an excellent job in having the equipment organized the best it had been for many years.

Finally to our Social Club President Bernard Docherty, my thanks for a top effort under great difficulty throughout the season. Under the conditions that Bernie had to operate in I would doubt if many others would have been able to see out the whole season.

My thanks to those who opened their homes during the season. To Father Skehill and the parishoners of St Cecilia's my thanks for your continued support and loyalty.

The forthcoming season will be S.T.C. South Camberwell's 20th.

I believe that with the continued support of all members both on and off the field we will be rewarded with the premierships we deserve.

Kevin Burt.

President.

OBITUARY  
JACK LEAHY

Early in the season we were saddened to hear of the passing of Jack Leahy. Jack in fact is the first playing member of the Club to have died. He had not been associated with the Club since 1976 when he moved to Creswick near Ballarat. Jack began his career with the Club in 1971-72 in the 1st Eleven and played in that team for the first two years. In 1973-74 he was appointed captain of the 2nd Eleven when they were defeated in the grand final. In that season Jack scored 314 runs finishing 9th in the Association averages and took 39 wickets to finish 4th in the Association averages. Jack played 33 games with the club scoring 930 runs and took 101 wickets.

We extend to his family our deepest sympathy in their loss.

ROY CAMERON

We were saddened to report the death, during the finals, of Roy Cameron a great stalwart of the Club. Whilst never having played with S.T.C Roy who played first class cricket in W.A. was one of the earlier non playing members of the Club. Over the ensuing years Roy became a familiar face at after match get-togethers and supported most of the Clubs many functions in one way or another.

We extend to his wife Mary and family our sincere sympathy.

## SOCIAL COMMITTEE REPORT

Socially this year the members and supporters of S.T.C. should be embarrassed. The percentage of players attending functions was well down. A club like ours with a limited social calendar and total reliance on voluntary help needs more than weak apologies. To operate enthusiastically and professionally we require support and understanding of what we do.

On a brighter note there were functions well attended and subsequently enjoyed by all. The Christmas party at the home of Bob and Claire Fitzwilliam was a great success, and the car rally was another fine day. The rally was again won by "Gelignite Jack Krohn" (that masst gun from the Gardiner Valley). During the finals Herman and Drewy opened their house for two of the most successful gatherings of the season. Also at the end of the season the vote count night for the inaugural S.T.C. Medal proved to be a great success. Our Presentation Night at the East Malvern R.S.L. was again another top turn.

To those people who volunteered their houses and to the regular few who helped to organise functions we owe our thanks.

In completing this review we should all be looking to next year with the official opening of the rooms and the comfortable conditions that will obviously follow. So lets make it happen and look forward to a successful season and enjoy our cricket the way we know how.

Bernard Docherty.  
(Social Secretary)

## 1st XI REPORT

For the second consecutive year the first eleven has finished runners up in A Grade. A good result for the season, but for those involved most certainly a disappointing one.

Our performances over the season were rather haphazard and at times it looked like we may not even make the finals. Our bowlers performed magnificently throughout the year; with four pace bowlers and two spinners we probably had the best attack in the competition.

Our two opening bowlers were Glen Findlay who struggled for form and without luck for 14 wickets and Van Murray who never failed to give us the early break with 19 wickets in 7 games. Our leading wicket takers were our two change bowlers, Pat Wignell being the most successful with 31 (his best performance in A grade) and Mick Mitchell 29. Mick was our main workhorse during the year and was our most consistent bowler. Although struggling over the last half of the year Chris Hoare finished with 25 wickets and our new leg spinner Bernie Docherty claimed 11 wickets, surely with a lot more to come.

Throughout the year our batting lacked consistency and was probably the reason for our grand final loss. Chris Hoare was not only our outstanding batsman with 723 runs but also the best in the competition as shown by his win in the A.T. Dunstan Medal. Chris found later in the year that concentration and hard work in the middle bring their reward. Only 3 other batsmen managed to score over 250 runs for the season. Rob Hoich was our opening bat all year, he showed great improvement and consistency to score 331 runs. Later in the year Kevin Burt was forced to open with Rob and finished with 435 runs. After being dropped down the order later in the season Bernie Docherty finished the year with 296 runs

We were drawn to play our old enemies A.Y.C. in the semi and after being put into bat showed great consistency to bat all day for 8 for 250 c.c. Chris Hoare top scored with 80, Kevin Burt and Bernie Docherty 41 each and Eugene Fitzwilliam 25. A.Y.C. were never allowed into the game and were all out for 134. Pat Wignell took 4/46 and Mick Mitchell 3/36.

In the final against South Camberwell we batted first but struggled to be all out for 189. We were unfortunate to lose a wicket whenever we looked like building a big score. Bernie Docherty scored 45, Brian McInerney 36 and Chris Hoare 32. South Camberwell after a bad start 2/19 steadied to be 2/50 at tea. After the break wickets fell consistently until they were 9/168 and still requiring 22 runs to win. Unfortunately their No 11 batsman then played the best innings of the match and their total reached 238.

I would like to thank all members of the team for their support during the year. If everyone can give just that little bit more next year I am sure we will be able to say third time lucky.

Kevin Burt. (Captain)

B. Docherty	4/69.

## 2nd XI REPORT

The Second XI topped the C Grade ladder on percentage after the home and away rounds, with two losses, two draws (both rain affected), seven first innings wins and one outright victory. This fine overall performance was the result of generally consistent and determined batting, tight and occasionally venomous bowling, and fielding which was always of a high standard and sometimes verged on the brilliant. The players responded admirably to the losses of Greg Smith and Mark Duggan (to the U.S.A. and Alice Springs respectively) during the season, particularly Gerard Finnigan as an opening batsman and Pat O'Callaghan as a new ball bowler, and competition for places in the final team bore out the evenness of the Twos over the season.

The semi-final against fourth placed Deepdene was a thriller. S.T.C. were dismissed for 200 after being 1/116, and Deepdene recovered from 4/34 with a 89 run fifth wicket stand before the last wickets tumbled to give the Saints a win by just 7 runs. Unhappily, the Grand Final was not as close, East Doncaster gaining a first innings lead of 112 runs due largely to their better four day approach to the match. However, the side maintained the spirit and pride of S.T.C. by competing fiercely but fairly throughout the games duration, even after the result was beyond redemption.

Thanks are due to many people; firstly, of course, the players, who represented themselves and their club with distinction and courage right through the season. Damian Slattery was a thoughtful and encouraging vice-captain, and provided constant assistance, and experienced players and former captains Doug Baguley, Peter Sandilands and Club coach Basil Finnigan made many invaluable suggestions. The efforts of Justin Hoy and Trevor Richardson in the finals as twelfth men, and of Robert Molloy as unofficial thirteenth man in the Grand Final were appreciated, and Ian Constable acted as scorer in both finals with his customary accuracy and neatness. Cathy Krohn and Sue Phelan helped regularly with the important but unattractive task of setting out afternoon tea and cleaning up afterwards, a service for which the players should all be thankful.

The following outstanding performances were produced:

### With the bat:

S. Finnigan	101*, 88, 93, 52*.
J. Krohn	112, 109, 71, 40.

M. Griffith	90, 84*, 40.

P. O'Callaghan	62*, 41*.
P. Sandilands	67.
D. Murray	48*.
D. Baguley	47.
A. Murray	45.
G. Smith	43.

### With the ball:

S. Finnigan	7/85, 5/62, 4/24, 4/33, 4/53.

K. Lynch	7/30.
A. Barnett	6/51.
D. Slattery	5/78.
P. O'Callaghan	4/50.

### 3rd XI REPORT

The side did well during the year appearing in the finals for the second consecutive year. We again spoiled the good year with an average effort in the semi-final loosing to the eventual premiers.

The season was highlighted with the improvement in players- particularly Geoff Walker (bowling), Dave Robinson (keeping and batting) and fine efforts also from Paul Ledwidge (first year with club) and Tim Allen with improved batting.

I would like to thank all 31 players that contributed to the success of the thirds in season 1985-86. May we learn to win semi-finals one day, and go on and win that flag

Michael Drew.  
Captain.

#### 4TH XI REPORT

The 1985/86 season saw the "Fighting Fours" record three wins and two draws for 30 points. But of more importance for the Club Eleven was that in all 10 games played, we achieved the main aim - to enjoy the game and play for the team and the club.

The fours are made up of "old guns", new players to the club and/or players who cannot train on a regular basis, together with a sprinkling of players who have just left the under-age ranks or who are still members of the Under 16's. It serves as a gentle(?) introduction to senior ranks for our ex-juniors.

It is pleasing to report that five Under 16's graced our team with their presence and performances such as:

- Mark Molloy (4 games 31 overs 7 wickets @ 10.14)
- Brendan Hoy (3 games 53 runs @ 13.25)
- Rohan (JUNIOR NAGA) Constable (67 runs in his second innings with the Fours).

Damien Hoy graduated from the 1984/85 Under 16's and took on the role of keeper (when there were no other volunteers) to finish with 11 catches, 5 run outs, 1 stumping and 194 runs for the season - well done Damien. My particular thanks are due to Damien for THAT STUMPING as it completed the first hat trick for the Fours.

I must also thank:

- Mick Kennedy for his assistance as Vice Captain, to say nothing of the 166 runs, 9 catches and 22 wickets to his credit for the season;
- Leigh Jondahl, Paul McHenry and Ross Haraszti for their advice and guidance during my first season as captain and their efforts on the field;
- Ray Blakey for his enthusiasm in the field before, during and after the game;
- The other 20 players who also contributed to our achievements as outlined in the opening paragraph.

## JUNIOR TEAMS

### CO-ORDINATORS REPORT

This season S.T.C. South Camberwell.C.C.again feilded three reams, being U16's, U14's and U12's in the E.S.C.A. Junior competition. I have felt over the past two seasons that the Club would be stronger in its performances for the season just completed, especially in the U16's and U14's- this unfortunately was not the case. I must admit that there were many reasons that attributed to the above, the main two being the administrative and player support. I feel that many players together with parents were let down in some aspects during the season, to whom I apologise. The incoming 1986-87 committee together with myself will remedy the lack of on and off ground performances expected from a Junior Club such as ours.

On a brighter note I wish to congratulate the under 12 side for finishing well up on the ladder this season, a former record being broken. To the team managers who have the awesome task of greeting the sunrise and lasting to sunset, thanks very much for your efforts. To the parents and players for choosing our club to participate in and to the few senior players who helped out at training and Saturday mornings, my thanks again. I hope everyone within the Club will contribute much more next season to make our Junior teams more successfull in our 20th year.

Eugene Fitzwilliam.

### UNDER 16's

Season 1985-86 was a mixed one for S.T.C. Under 16's. There were many people involved in feilding the team. The help and guidance of these people was invaluable, and I, in my first season in a coaching capacity was greatly appreciative of this.

The first person that should be mentioned is Ian Constable. Ian knew all the boys much better than myself. He was there always, week in, week out. This was even more gratefully appreciated in light of my somewhat part-time involvement with the boys.

Thanks also should be extended to other parents who were always at matches giving support. Mr Brabner, Hoy, and O'Callaghan were all regular supporters. Thanks also to the various players who assisted at different times. Thank you to those who I have not mentioned.

The team of boys were fantastic. They were mature and responsive. Led by captain Peter Manning and vice captain Andrew McIntosh respectively, they were a pleasure to coach. Promising players included both the captain and vice captain, Pat O'Callaghan, whose all round talent is well known, Matt Harper who is a natural cricketer as is Luke Rattigan. All the boys

have heaps of potential. It is up, to each of them to decide how much they wish to develop this potential.

The greatest shortcoming of the season lay in the coaching department, and in the hesitancy of those who make decisions in rectifying the situation. Those to suffer were the boys. I cannot praise their performance during the year highly enough.

Pat Wignell. (Team Manager)

#### UNDER 16 TROPHY WINNERS

BATTING	-	Andrew McIntosh
BOWLING	-	Mark Molloy
ALL ROUNDER	-	Pat O'Callaghan
ENCOURAGEMENT	-	Matt Harper.

#### UNDER 14 REPORT

This year the under 14's went through the year without a win. Although we never walked off rejoicing victory, the relationship between the players, and the spirit within which the game was played was first class; typical of a good S.T.C. team.

The award winners this year were; Brendan Groves taking out the bowling Andrew Michaelidis winning the batting, most improved went to Liam Ross and Julian DiStefano, the captain of the side, won the all rounder. Other players who improved during the season were Michael Paphazy, Stephen Hoy and Matt Bloomfield.

I would like to take this opportunity to thank my assistant coach Mick Drew and also Junior co-ordinator Eugene Fitzwilliam, without their help it would have been impossible to run the team this year. Thanks must also go to those parents who made the effort to watch their sons. Lastly I would like to thank the team themselves, their co-operation, enjoyment and appreciation of what goes on makes it all worthwhile.

Bernie Docherty  
(Team Manager)

## UNDER 12 REPORT

The under 12 team this season were an excellent group of young cricketers. They ranged from the legends (11) to the spring chickens (6).

The team was lead by Dan Shacklock to a record number of wins for an S.T.C. Under 12vteam. They won 7 games from 14 and missed an outright win against Richmond City by 2 wickets in a one day game.

There were many excellent performances throughout the season. Some of the bowling highlights were a hat trick by new comer Tom Rattigan and the following bowlers took 5 wickets in an innings; Dan Shacklock, Rajesh Palas and Thomas Cross. In the batting line up, many of the players forced into the opening position flourished in a sea of runs. Players such as Phil Michaelides, Rajesh Palas, Tom Rattigan and Thomas Cross. batted excellently throughout the season.

The success on the field was the result of hard work and consistency, but all of which is unimportant if the parental support is not there. I wish to thank Peter Wilson, Bill Holt, the Michaelidis, Cross and Palas families for all their transport, support and lifesaving refreshments on saturday mornings throughout the season. Without their help and support the coach is somewhat limited in his efforts to help the team.

I would like to thank all the players for an enjoyable and most successful season.
