30 June 2004

Dear Members,

On behalf of Club President Tim Bach and the Committee I pleased to present the 2003/04 Annual Report.

This report is the 37th presented to members, and includes reports from our six senior teams, the junior program and extensive player statistics. In the year when STC returned to the top of the ECA competition, winning the Macgibbon Shield for the first time and Burt Shield on the third consecutive occasion, I am sure you will enjoy the reading.

Special thanks must go to everybody that made a contribution to the preparation of this report, in particular John Krohn for his assistance with statistical and historical information.

Sincerely,

PAUL F ZENNARO
Secretary

President's report

For the STC South Camberwell Cricket Club, season 2003/04 can be described in a single word: Outstanding!

On the field, this was our most successful season ever. At the beginning of the season, the challenge was before us. All of our teams were graded as high as they could possibly be. Even if every team had won a premiership, none could have been promoted because of other STC teams above them. Despite this, we finished the season with five of six teams playing finals, three teams playing grand finals and our top two sides winning the top two shields in the synthetic competition. This success was the culmination of a long term plan launched four years ago by our Club Captain, Paul Fisicaro, and much credit must go to Paul for his vision and perseverance. Credit must also go to the many club members who helped Paul implement a training and recruitment program that has greatly improved our performance as a club.

The on-field success was also due to the committed work of the Selection Committee in the ever difficult task of balancing the many considerations in the selection process. Thank you to selectors Mark Molloy and Tony Michaelides for their work and a special thanks to retiring chairman of selectors, Kevin Burt, for the excellent job he has done over the past two years.

There were also many off-field highlights. The pre-season Mick Hill Challenge Match raised over $4000 for former STC junior cricketer, Mick Hill, tragically injured in a motor vehicle accident last year. The match against a De La Salle Old Boys XI strengthened ties between the football club and the cricket club and hopefully will become an annual pre-season event. Thanks to Mark Molloy, Bernard Docherty, Steve Hoy, Chris Classon, Damian O'Brien and many others who contributed to planning the Day.

The Past Players night was considered by many to be the social highlight of the season. A host of life members and past players attended including Denis Sully, outstanding player in STC's first ever game, who traveled from Perth to receive his belated Man-of-the-Match glass. The night culminated in the formation of a Past Players Association, an important development for the Club. Thank you to Steve Hoy, Michael Mitchell, Kevin Burt and Peter Sandilands for the effort they put into planning the event.

Other social highlights included a return-to-our-roots season launch at St. Cecilia's Parish Hall, an excellent Christmas party on a warm, sunny Melbourne Sunday, a last round cliff-hanger in the Basil Finnigan Medal count, an unusually chaotic, but nevertheless enjoyable, Junior Presentation night and a buoyant Presentation night hosted by the ever effusive Paul "Eddie" Zennaro. Congratulation to Social Committee coordinator, Nick Fennessy, for the outstanding social functions we have had over the season.

The social atmosphere at STC was greatly enhanced by improvements to the clubrooms. Facilities and security of the canteen were greatly improved and the partition in the main room was removed making a much larger and more appealing area for social functions. Thanks in particular to Steve Hoy, Richard Corbett and Gary Chard for all of their work in planning and implementing these improvements to the amenities.

The Junior Club had a good year with one team, the under 16s, making finals and with improved performances by players across the board. Thank you to Vice President (Juniors), Jack Krohn, and all of the junior team managers for their organizational contributions. Thank you, once again, to the indefatigable Basil Finnigan for his contribution to coaching and managing the junior players. And thank you to all of the senior players who helped with

training and turned up at games to support our juniors. A substantial development this year was the formation of a Junior Committee to support Jack Krohn in his task. I am very grateful that Bernard Docherty took on the role of liaising

with the Junior Committee on behalf of the Senior Club. The juniors have been crucial to the success of the senior club: 13 of the 24 players who played in our two premiership sides played junior cricket at STC. All those who contributed to managing and training the juniors this season also made a significant contribution to the future success of our club.

The STC PATH foundation continued its work assisting the less privileged members of our community. In total, over $24,000 was donated to the Mick Hill Trust and to the Collingwood mission (The Wellington Centre) through the efforts of STC players , partners and friends. I appreciate the work that Felicity McGrath , Chris Classon , Bernard Docherty and their group of volunteers have put into PATH activities. STC PATH has been an important development for the club because it demonstrates a strong sense of social and community responsibility among our membership.

One of the reasons that we were able to achieve so much this year was the generous support of our sponsors. We raised over $10,000 in sponsorship for season 2003/04, a record sponsorship season for the Club, thanks largely to the efforts of Craig Hynes. Our sponsors are listed elsewhere in the Annual Report. Please support them as they have supported us.

My task was made much easier this year because of the enthusiasm and commitment of the Committee. Thank you to Vice President (Seniors), Richard Corbett for his work as Canteen Manager, Vice President (Juniors), Jack Krohn, Treasurer, Edwin Behan for his work in improving the financial reporting processes, Craig Hynes, Nick Fennessy, Andrew Daly for his work as equipment steward and ECA delegate, and Tony Michaelides for his work with the selection committee and as ECA delegate. Special thanks to Steve Hoy, who in his role as Planning and Development co-ordinator, worked extremely hard on planning and executing the clubroom renovations, on planning the Past Players Night and on developing the Past Players Association. Finally, thank you to Secretary, Paul Zennaro, for his tireless work in managing the affairs of the club and for his weekly “Howzat” update. The committee has done and outstanding job this year and deserves the appreciation of the entire club.

The year ahead promises challenges and uncertainties. On the field, we face the challenge of staying on top. We have the talent to do so but other clubs will redouble their efforts against us. We cannot afford to be complacent about training or playing. We are facing a probable reconfiguration of Nettleton Park that will see the ground reduced to a single pitch. There are clearly implications for accommodating our training and playing requirements. We are also in the midst of amalgamation discussions with South Camberwell Cricket Club and club members will need to consider the opportunities, challenges and risks that an amalgamation might bring.

It has been an honor and a privilege to serve the club this season. Once again, I thank all of those who worked so hard to make the season one of the most memorable in club history.

TIM M BACH
President

Secretary's report

2003/04 was a season of enormous success at STC!

From a administrative perspective the season proved quite difficult. As a Club our rapid expansion has coincided with the introduction of new challenges. We now face a range of issues surrounding limited playing ovals in our region, rising costs and compliance burdens associated with greater regulation.

Nevertheless our Committee, led by the suave Dr Bach, once again did a fine job in administrating what is now the largest Club in the Eastern Cricket Association. This could not have been achieved without the fine guidance of the STC Executive, ably supported by the Committee.

This season was the fifth year in which I have held this post, and I do not intend to seek re-nomination. The past five years have been both challenging and rewarding. I have had the pleasure of working with three Presidents, and numerous committee members – all fine men that have made enormous contributions in order to make our club great.

It is sometime difficult to remember how organisations like STC change. The past five years have been more about rapid advancement than evolution. We have grown from a four team club struggling for on field success, to the largest and most successful club in the ECA. On the way we have become financially stable, and have built on both physical and organisational assets.

Over this period there are two achievements that bring the greatest satisfaction. The first was the efforts of a few dedicated people dragging STC into the digital age. Our webpage and electronic 'Howzat' have become the source of great pleasure for members, and envy from opponents. In this area the efforts, over four years, of Paul Fisicaro need to be recognised. The second is the retention of the character that has made STC what it is today. More than our growth or on-field success it is the attitude of most at STC – that the Club is bigger than the individual – that defines us. We have remained welcoming, humble and sportsmanlike despite claiming bragging rights.

There are several people I would like to thank for their support, not just this year, but over the last five. Firstly to those who encouraged me to seek nomination as Secretary, and supported me in the early years, Bernard Docherty and Kevin Burt. Also Basil Finnigan for his guidance and advice over the years. To Dicky Corbett and Garry Chard who have been such great mates and helpers. To the thirty odd people that I have served on Committee with, and of course the members of this incredible organisation. Finally to my wife Kylie who has been the real Secretary. She knows more about minutes, registrations, ground applications and team entries than is healthy. Without her support the last few years would have been far more difficult, and far less enjoyable.

I offer the incoming Committee my full support and wish them the best of luck.

PAUL F ZENNARO
Secretary

Junior co-ordinator's report

In a further expansion of our junior program, STC fielded six teams in the ECA's junior competition: one U16s, two U14s, two U12s and, for the first time ever, one U10s team. Results on the board were uneven, with both U12 teams struggling for points and the U14 teams also battling to compete. However, the U16s reached the semi-finals, and the U10s had several wins, a great effort for a team of first year players in an ungraded competition. And across all grades the players enjoyed their cricket regardless of match by match results.

STC conducted a Milo Have A Go Clinic program (now under the auspices of Cricket Australia) for the fourth time. Although enrolment was only around a dozen, all regular participants were keen, especially when given the opportunity to perform as part of the on-field entertainment on the MCG during the Victoria-South Australia one-day fixture in January – thanks to Andrew Jarrett for looking after the group on the day. That night saw the tragic incident that led to the death of Bushrangers coach David Hookes, lending a special poignancy to the squad's appearance at what proved to be his final day in charge of the Bushrangers. Previous STC Milo graduates appeared in all junior teams except the U16s.

Stuart Hamilton was our inaugural U10s Manager, and with support from Peter MacDonald and many other enthusiastic parents led the team through an outstanding debut season. None of the side had played competitively before, and they relished the opportunity, with performances improving steadily through the season. Most of the players will be eligible for U10s again next season, so we will look forward to bigger and better things, but most of all to the players continuing to enjoy their cricket.

Several of the U12 Blues were also still eligible to play U10s, but chose to stick together pretty much as the same team as last year. With Steve Ross in charge on match days, supported by Basil Finnigan, the team recorded several wins and was much more competitive than last season, showing the benefit of a year's experience and growth.

The older U12s (several of whom were however playing their first season) played in the Reds, with Tony Re graciously taking on the role of Manager at short notice. The team suffered several narrow defeats and generally competed well, but struggled to perform consistently. With more determined efforts on the training track the boys can do better next season, although the step up to U14s for most of the players will present new challenges.

Basil Finnigan provided his own special brand of coaching for the U10 and U12 squads, as well as helping Fizz with the U16s. Basil's dedication in travelling three or four times a week from his home in Mt Martha continues to be inspirational for the whole STC family. We are extraordinarily fortunate as a club to have had so many players' careers nurtured and launched under Basil's exceptional mentoring.

Garry Terrill put up his hand to take on the management of the U14 Blues. The side was often short-handed, and benefited from support by U12 players, particularly Tom Steains and Daniel Lagastes. Although the team struggled for wins, it competed steadfastly and great progress was shown by all the regular players.

The U14 Reds also battled for success, with batting collapses and erratic fielding marring several otherwise promising performances. While a number of players will move up to U16s next season, some have another crack at U14 competition and we will be looking for big strides from the boys as they mature.

Ben Banks-Smith was unable to continue as a team manager this season, but stepped into the breach to coach the U14 squad and did a great job. Ben's patience and dedication in working with the boys to improve their skills and build their confidence was a critical factor in the individual improvement of many players.

Paul Fisicaro, the club's First XI captain, volunteered again to coach the U16s, with Phil Casey as Manager and support from Basil Finnigan both at training and on match days. The team performed very well to reach the semi-finals, meeting top side Burwood Uniting Canterbury and going down in a tight contest, bowled out well inside the available overs and just failing to contain a talented opposition batting line-up. David Kerr and Beau Coyle scored their maiden centuries for STC during the season, and several players made their senior debuts, with three U16s players selected in the Sixth XI semi-final team. Junior Presentation Night saw Junior Legend status conferred upon graduating junior stalwarts Joseph O'Connell and Daniel Shinners.

Aside from regular training and matches, a number of specific events occurred during the season. The parents and kids match in February was great fun for all those who took part, the kids regaining Peter Sandilands' trophy with a combined U10s/ U12s/ U14s team. Several junior players took advantage of the opportunity provided by Cricket Victoria to attend Victorian Bushrangers one day domestic matches at the MCG, and learn from watching elite players in action. Special thanks to Rhys Miller of Cricket Victoria who continued to provide the great support for STC's junior cricket programs that we had previously enjoyed from Marty Gleeson. I would also like to congratulate Andrew Krohn on his selection in the ECA Josh Browne Plate U12 representative team and on his performances in the tournament, including two wickets in the team's Grand Final victory.

As always, thanks are due to many other people for their efforts this season. In particular, all our team managers gave sterling service. All senior players were rostered to help at Milo sessions or junior matches and most responded generously, with several making many additional unrostered appearances. The new system of squads assigned to each junior team under a leader responsible for rostering showed promise in enabling rapport to be established between players in a team and the regular senior supporters of that team.

I would also like to thank the many parents who helped out with scoring, umpiring, canteen duties and transport during the season. Special congratulations to the O'Connell family, winners of the Bob Stensholt Best Junior Clubperson Award in recognition of the family's outstanding and consistent contribution to STC's junior program through every season since Steve played his first U12s game in 1989. I would also like to thank Bob Stensholt, MP, and the other donors of perpetual trophies, Bryan Cain for the three Most Improved awards and Maureen Colman for the George Colman Memorial Trophy.

Finally, I would like to thank my wife Cathy and my sons Phillip and Andrew for their patience with the time I spent at Nettleton and elsewhere on junior business throughout the season.

JOHN KROHN
Vice-President (Junior)

Junior Club Champion:	Jordan Anthony (U14 Blues)					
Best Junior Club-person:	The O'Connell family (Tom, Val, Steve, Dan, Michael and Joseph)					

First XI

We did it!! STC has now regained its reputation as a force to be reckoned with in the top level of our competition by winning the MacGibbon Shield. Not since Bernard Docherty led the club to victory 14 years ago have we had this feeling – and its great!

We set ourselves a goal three years ago to emulate what Xavier football club have managed in the VAFA. That being - a team that is just expected to play finals every year. Although we have not yet reached that goal we are well on our way having reached the Grand Final in the past 3 consecutive years.

In my tenure as Captain of STC the 48 games played we have lost only 7 games and drawn 2. This amazing run has been largely due to the commitment and dedication of the players that train consistently and take the field each and every week and to the continued support of the STC family and committee.

Firstly I would like to thank all 17 players who represented the side in part or full this season for their dedication to training and their support of my role. The efforts and support of Stephen O'Connell (VC), Danny Sotiriadis, Glenn Elliott, Timothy Wright, Luke D'Astoli & Bernard Docherty as senior players in the side contributed largely to the excellent performances. Rohan Worthy was a new member to our side and added a touch of class with efforts with the ball. I would like to also thank 3 very unlucky members of the side who were also major factors in our successful year, although for different reasons did not play in the grand final side. David Spithill, Phil Featherston & Dan O'Connell had outstanding seasons. Eleven of the team's 17 members were ex-juniors. This goes along way to showing how important the junior program is to our club.

There were many outstanding performances this year as far as individuals go. I would like to point out a few. In my opinion Luke D'Astoli was one of the most important players in the team and his efforts with the bat, especially ball and in the field were second to none. As a young player in the side he was singled out at the start of the season as having the most important role in the side. His dedication and commitment to the goals of the team were backed up with some amazing efforts on the ground. His bowling together with Phil, Rohan, Jeremy, Danny & Doc were outstanding. Alex Nicholson & Timothy Wright came together again to open the batting this season and they did themselves and the club proud. No other opening pair in the competition could boast the success that these two can.

The future is very bright at the club and the players that will be taking the field next year have some big shoes to fill. I look forward to playing and helping develop the side to a new level next season and hopefully we have set a benchmark that the other teams in the comp will look to match. It is now upon the club to maintain their position and continue to grow as we will be the target of all opposition as we go forward. Lets not let them ever get on top.

I will not be undertaking captaincy next season largely due to work and family commitments however I am sure that with the plethora of experienced senior players at the club that we will have no problem filling the vacant position.

Thanks must go to the committee. The work these guys do to put the club in a postion to play every week is enormous. Jack is an inspiration to us all in his efforts with the Juniors, Andrew Daly never seems to stop working and does it consistently. I've been extremely lucky to have worked with all of them this season.

I would especially like to thank the three tenors – Timothy Bach, Paul Zennaro & Richard Corbett. At times during the season there were some very contentious moments that may have caused things to turn out a lot differently hadn't I had the true support of these guys. They know their role in this season's success and should be congratulated for the way that they go about their work at the club. On a personal level I would not have been able achieve what I did without them.

Congratulations to all the Captains this year. It was a pleasure working with them all and their success emulated what we were doing at the top level adding a real sense of depth in the club. Many of them were up against superior sides and were pulling off victories as huge under-dogs. Special thanks to Billy Hynes who throughout the season never once put the 2's welfare before the 1's. His premiership win was extremely pleasing for me personally having set out at the start of the year to work together towards what we all achieved.

As my role as U16 coach I would like to thank all the seniors that rolled up to help on Friday nights and at training on Thrusdays (you know who you are), Especially Basil Finnigan & Phil Casey for their efforts all year at training and on game day.

Thanks also to my amazing wife for all her support. Jane will be now able to see me a little more often between August & April.

One last thank you to all the players who play at STC. I would like to take this opportunity to encourage all of you to get your mates down whatever level they play and we will all welcome them down to the greatest club on Earth!

Cheers and good luck to everyone next season for another year like this one!

PAUL FISICARO
Club Captain

Club Champion – Steve O'Connell

Second XI

After two very successful years, the second XI embarked upon 2003/04 with the same belief systems that have made us so successful in recent years. With several new sides joining the Burt Shield, there were many unknowns about our competition. Suffice to say, the start to the season was certainly not what we had set ourselves for! We lost the first game narrowly to Boroondara, got absolutely flogged in Round two and after a draw and subsequent loss in Rounds three and four respectively, three points after four rounds was hardly a desirable situation to be in.

To our credit, the Second XI started focusing more on our own processes and began to worry less about what our opposition was doing. We began to find that inner self belief that has propelled us to great heights over the past few years. Batsmen began to value their wicket more highly, partnerships became a real focus, and as had been the case all year, the bowlers and fielding was consistently very solid.

We achieved our first win in Round Five and won all remaining games until Christmas. After Christmas, we won three of the five games, and ironically the two games we lost were to our finals competitors – and we all know the result there!! In case you don't know, allow me to fill you in. Playing Boroondara – second year in a row, same venue, same result - they won the toss and elected to bat first. Unfortunately for Boroondara, with the magical assistance of Phil Featherstone, all eleven of their batsmen were back in the pavilion for a combined total of 98 after 61 overs!! In reply, we made 168 – Game over!!

The Grand Final took us to Highfield Park against newcomers Clifton Hill. We lost to them twice throughout the year, but not in the BIG ONE! Put simply, they made 130 in the first innings and we got across the line with 138. After some second innings banter, we played until the end of Day 2 and were premiers again. The man of the match was Phil Featherstone. It as one of the sweetest victories of our lives – one will we never forget!

Thanks to Fizz and all of the boys in the First XI for their unrivalled support. Thanks to the Committee, for their tireless work to make STC the place it is off the field as well. My thanks also goes out to all of the support we received from partners, family and friends at each one of our games throughout the year – it was incredible.

Finally, thanks to all of the boys that represented the Second XI this year, in particular, the 12 that bought us the great success of another Burt Shield. We are a very strong team unit and this, coupled with our immense mental toughness, will always out perform a group of individuals who don't care about the blokes they play with!! Great work boys – see you in 2004/05!!

CRAIG HYNES
Second XI Captain

Team Champion - Craig Hynes

Bowling - Andrew Daly

Batting - Neil Hodgson

Third XI

Season 2003/04 was a season of missed opportunities after being promoted to A grade.

The higher standard was a challenge, it was not uncommon to be playing against opposition First XI's. It was somewhat ironic and a little disappointing that two of our better performances were against the first XI of Blackburn "glory hunters" North the eventual Premier, it certainly proved that with quality players available we can match it with the better teams.

The season was ultimately hamstrung by the unavailability of quality players, we were often left very under manned.

39 players represented the thirds for the season. The extremely high player turn over for a third eleven certainly highlights the lack of commitment from the players and this was the main factor that I attribute to our lack of success especially during the commencement of the season. After the Christmas break there were a lot of positives finishing off the season strongly. Going into the last game we still had an opportunity of making the finals. One thing about the side was the never say die attitude, when things weren't going to script the boys still had pride in their performance.

Positives included:

- Michael Mitchell – the evergreen stalwart lead the attack once again, deserved winner of the bowling and all rounder awards and was very unlucky to be runner up in The Basil. Michael showed excellent leadership and offered great support to the skipper throughout the season.

- Ben Banks-Smith –The young keeper batsman showed maturity with the willow this year and on a few occasions Bens efforts certainly saved the side .Ben proved he is a very capable keeper/Batsman and was a worthy winner of his first batting award. Once Ben trains twice a week the higher grades of cricket will be within Ben's grasp.

- A good effort from Peter Lynch with Batting & Fielding, Brad Craine trained & tried very hard and is a definite improver. Matthew Funnell when selected after Christmas showed his class with the ball.

In conclusion it was a great privilege to be captain of the side, a task that I thoroughly enjoy, so I thank the club for this opportunity.

PATRICK J DOCHERTY
Third XI Captain

Fourth XI

This year was another great season backing up our premiership victory of last year with another grand final appearance.

Most are aware that we narrowly lost the grand final to Boronia who were a first eleven team. Along the way we played poorly, but battled hard at all times. Daniel Shacklock getting a broken nose was bad luck, as he was in the best form of his life.

You could not help but to feel a little cheated but the better side won on the day. It is a real sign of STC strength with all sides playing as high as possible.

Looking back on the season there were many highlights. Like other teams we were playing against some excellent opposition, that were first, second and third XIs. Finishing in the finals was great. Going into the last game we needed to win the game to make the finals. We played the Eastern Willows, who we beat in last year's grand final. A win would claim second position and a home final, while a loss could see us miss out all together. It went down to the last over, and we won by a single wicket!

The semi final was just as close. We were chasing Burwood's 277, which many people thought was too much. But we had belief, and like the previous week, we won the game by a single wicket. The runs coming with Peter Morrison and Dan Smith at the crease. Many players in the team claimed it to be the best victory of their careers!

First year player Stephen Camilleri had a stellar year winning the team champion and the batting. Congratulations to Cammas, who played in the semi final the day after his wedding! This has assured him legend status at STC for many years to come!

I would like to thank all the people who played in the fourth eleven especially my vice captain Dicky Corbett for the last two years. A special thanks to the other captains and the selection committee for all their support.

Congratulations to Tim Bach who was fantastic in his first year as president, Dicky, Paul Zennaro, Jack Krohn, Ed Behan and all the committee. You were all great so congratulations on another great season at STC

STIRLING ROWE
Fourth XI Captain

Team Champion – Steve Camilleri

Bowling – Stirling Rowe

Batting – Steve Camilleri

Fifth XI

Although we did not achieve our goal of making the grand final, all players who participated in our team for the year are to be congratulated for their enthusiasm and commitment.

A total of 56 players represented the fives throughout the season, which created a lot of headaches at the selection table. Because of this I would to thank all players this applied to for their understanding and maturity in dealing with this issue, as they all realised it was for the betterment of the club that as many players as possible got a chance to play.

The season provided many highlights both for team and individual. Team wise the highlight of the season was a magnificent victory against St.Kevins in round 14 we were able to chase 298 in 36 overs, which gave us the impetus to make the finals. Saying that we never gave up, and that we were never thumped could best describe how the team performed throughout the year.

Whilst it was a disappointing end to the season with a loss in the Semi Final to St Stephens, sometimes the effort of team does not always reflect on the scoreboard.

I would like to thank the selectors for their help, and a special thanks to Nick Fennesey for putting personal interest ‘s aside at various times of the year and allowing some of his players to come and play for the fives, quite often these decisions were made as late as game day morning.

Without the help of Gary Chard and Ben Mannix , the fives would not have been as successful as they were. Not only did these two play exceptionally well, they did a lot of organising on game day and helped out with team tactics, greatly appreciated.

I would like to thank the club for giving myself the opportunity to captain, and I wish whoever does it next year all the best.

ADAM PEATT
Fifth XI Captain

Team Champion – Ben Mannix

Club XI

It was always going to be difficult the season after the one before. We lost over half the winning Grand Final team members and we started the 2003/04 season with only 3 members of that team. It was going to be an interesting season and it turned into one where both old and young took their moment in the sun. We could always rely on the senior members put a good foot forward and the juniors to make up the numbers. What we didn't expect was that we would unearth a whole bunch of future champions that played an extremely pivotal part in our success this season.

Once again we managed to play over 40 people in the team this season. We dragged the likes of Tim Allen, Tony Michaelides and Rib Ki

Club's top ten performers

Most runs scored		Most wickets taken		Most games played	
Player	**R**	**Player**	**W**	**Player**	**G**
John Krohn	9,045	Basil Finnigan	424	John Krohn	374
