

# STC South Camberwell Cricket Club

## 2021/22 Annual Report

## Secretary's Report

Dear Member,

On behalf of President Nick Fennessy and the Committee it gives me great pleasure to table the 2021/22 STC South Camberwell Cricket Club Annual Report.

This report is the 55<sup>th</sup> to be presented to our members and includes reports from our six senior teams including our two Veteran's XI, the highly successful junior program, and extensive player statistics.

Special thanks must go to everybody that contributed to the preparation of this report, in particular Nick Fennessy for his assistance with statistical and historical information.

I would also like to thank the committees and the broader STC community for their support and encouragement this season.

Yours sincerely,

James Terrill  
Secretary

Stuart Hamilton Award- Jordy Katiforis

## President's Report

It is with great pleasure that I present this, the 55th annual report of the STC South Camberwell Cricket Club.

On field, this was a successful season as five of our six senior teams and one of our Vets teams competed in finals. At the beginning of the season, the challenge was before us, given the state of the COVID world we were living. On the strength of our previous season numbers and the desire to try and get more juniors experiencing senior cricket, we added a 6th senior team for the first time in 10 years. This success and credit for this must go to Paul Tesoriero for his vision and perseverance during selection and the links that we have with junior teams. The on-field success is always due to the committed work of the Selection Committee in the ever-difficult task of balancing the many considerations in the selection process.

Even during this ever-changing environment, once again STC were able to field full teams each and every week. Whilst other clubs pulled out due to isolation rules, the STC community banded together to ensure that once again, we have never had to forfeit a game of cricket.

This Season for the first time ever we ever we brought girls cricket to STC. Like a lot of other sports, we are seeing the emergence of girls playing more and more in the traditionally dominated male sports. And what an impact and surprise we saw with the girls. We were originally told even if we get 3 or 4 players to start, that would be good. Well we managed to have over 2 girls try their hand at the game ....and they loved it. STC ended up with the largest group of girls of all clubs in our section. Yes, there were more cartwheels than runs scored but the enjoyment from the girls was incredible. The hosted the first girl's carnival and we turned it on, setting the bar high for all other clubs to follow. The scene is set for the girl's participation to grow and grow and give the club another

Once again, the club's thanks must go to the generous support of our sponsors, thanks largely to the efforts of Tom Sandilands and Tom Bach. Our sponsors are listed elsewhere in the Annual Report. Please support them as they have supported us. And I will note that it was fantastic, and a highlight for many, to see the bar installation kindly supplied by Burnley Brewing.

While it is impossible to name everybody that contributed during the year, I would like to sincerely thank you all for your efforts, in particular the tireless effort of the Executive Committee – Paul Tesoriero, James Terrill, Joe Moorhead and Pete Martin. I would like to remind everyone that the culture of STC is the product of those that went before us, and dependent on all current members contributing off field as well as on. The current committee was left with an extremely good legacy from the former committee led by Tom Bach. I'd like to thank the whole committee for their constant and continued commitment to putting 6 senior teams out on the field each week as well as guiding the club behind the scenes. The committee members are very much like ducks – it all looks calm and the top but each and every one are paddling like crazy below the surface.

The club is in a very strong position to move forward next season and have even greater on field (and off-field) success in the years to come. It's an exciting time

When you're down at STC, there's no better place to be. Go Saints!

**Nick Fennessy**

**President**

## First XI Report- Burt Shield

This season was always going to be an interesting one for the First XI, following on from relegation and a difficult season last year. However, we were hopeful that a young side full of energy and with a point to prove could do some great things!

We were given the ultimate test in Round 1 away at BUC, the previous season's runners up. Bowling first gave us the chance to settle our nerves, but barely. BUC came out to attack from pretty early on. While we managed to take six wickets, the 231 that BUC put on the board was definitely a daunting task. This was made no easier by quickly falling to 4/53, with Tom Bach getting an early contender for worst umpiring decision of the season. This brought newly anointed co-vice captains Dion Di Battista and Cal Dooley. They rose to the challenge presented to them, putting on 103 for the 5th wicket, and keeping us within reach for most of the innings. Dion (59) brought up the first half century for the season, while Cal (48) fell just short. We fell 28 runs short at 9/203, but there were plenty of positives for us to take away against a team that we knew we would be very much in and around the finals.

The next 4 weeks, we flew into the Christmas break. 40 wickets taken and 200+ runs scored in every game we batted first was a serious statement. Batsmen worked hard to ensure that there were plenty of runs for the bowlers to play with, and resulted in wickets being shared around. Dion continued his good form, scoring his second consecutive half century (56\*) to kick off the season, against Glen Waverly Cougars. This was probably a good thing, given he'd played a role in running out Turbo, who had looked totally untroubled on the way to his first milestone of the season (73).

Turbo continued where he left off the week after, which saw him and myself begin an ongoing love affair with Notting Hill-Brandon Park. Tom once again looked totally at home at the crease on his way to an excellent 87\* off 96 balls. We were playing "cerebral cricket" according to Tom, aware of our strengths and working the bowlers to play into those, as we put on 149\* off 17 overs. I had a bit of fun too, hitting seven 6s on the way to 87\* off 58 balls. My highlight for the game though was the arrival of Matthew Doran the opening batsmen (37), and both Charlie Hamilton and Jackson Reeve taking their first wickets in the 1s (both taking 2/24 by chance, in their second games).

Doran was one of the surprise packages of the season having evolved from a number 9, swing bowler, into an opening batsmen and frontline spin bowler. It was the following game, against Malvern Valley, where he really announced himself as a spinner. 4 crucial wickets (including two stumpings) made sure that they never stood a chance.

Jacko similarly announced himself against the Victorian Cavaliers, taking 4/33 during what was perhaps our best bowling and fielding performance collectively for the season. The Cavs were all out for 97 in 31 overs, with 2 run outs, before Hugh Hamilton (29) and Matt Doran (39) got us to 58 before we lost our first, ensuring we headed into Christmas at 4-1.

Post-Christmas we began to see a few COVID outs (namely myself), so having Mark Shallue and Steve O'Connell to step in and bolster the ranks left us feeling pretty confident that we could handle whatever came at us. Unfortunately, Glen Waverley put us back in our place first game back. After another good all-round bowling performance (in particular Doran 1/15 off 8 and Charlie Hamilton 3/33 off 7), their bowlers did the same and worse to us, bowling us out for only 70. Shallue did his best to try to provide some stability as wickets tumbled around him, facing 86 balls for his 21, but just didn't have the help needed to go on.

This result must have spurred something within Turbo. For the rest of the season, he had only three scores below 50 (46, 43, 22), as he embarked on what was one of the most remarkable individual seasons I've ever seen as he tallied up 709 runs for the season (six 50s and one 100). This was nearly 200 more than the next best in the entire competition. Only two players in the entire ECA scored more, and neither with as good an average.

The highlight was undoubtedly his 117 (104) in Round 9 against the Cougars. He came in in the 4th over, and never looked troubled. Some glorious stroke play, some big hitting, and some cheeky paddles made

sure that those watching on were always entertained and the bowlers at their wits end. We thought we had this game in the bag before we were subjected to the same treatment, with some of the most insane hitting most of us had seen. Luckily Cal on his return from injury, who wasn't really meant to be bowling, bowled and bowled very well. This was the Cal we had been waiting for. His 2/9 off 8 overs (4 maidens) quite literally kept us in the game. Jacko was another match-winner, picking up his 3rd and 4th wicket in the same over, including the batsmen that had 9 sixes on his way to 102 off 73 balls.

Another highpoint was the home game against Notting Hill-Brand Park in Round 10. A hat-trick for Dora (4/37), a hat-trick cruelly denied by the umpire to Cal (2/23 and a plumb LBW not out on the 3rd) were standouts with the ball, before Turbo and I continued our love affair with Notting Hill. This time we cracked the 150 partnerships (151\*), as he very kindly helped guide me to my first 100 in the 1s (and first in ~12/13 years), before he finished it with about three 4s in three balls. This saw our partnership against NHBP climb to 0/300. At some point during the season, Turbo had requested that I make it into his top 10 partnerships. Hopefully one of those two did the job.

A controversial tie against the Vic Cavs (frankly the less said about that game the better) and 2nd losses to BUC and Glen Waverley (shout out to Lachie Macneil on debut for his 0/27 off 8 overs straight) saw us get into the final round firmly in 3rd, but a win against bottom of the ladder Trinity in the final round could see us jump to 2nd if Glen Waverley lost to BUC. While the equation didn't go our way, this ended up being an incredible match. No umpire showing up, rain delays, the return of Andrew Krohn, another 60+ score for Turbo, Hugh Hamilton scoring 20 off the first over of the innings... it was all happening. Chasing 225, Turbo departed with the score at 7/159 and the Trinity crowd crowing that that was the game. However, Lachie Macneil, Ben Rodan, and Andy Krohn had other ideas. LMac and Ben put on 37 for the 9th wicket, getting us to 201 and bringing a newly (once again?) crippled Krohny to the crease with a runner. Hope was, shall we say, limited on the sidelines but these two, more familiar with the ball in hand than bat, proved everyone wrong and finally had the successful partnership that they'd missed out on for so long. Krohny hitting a pull shot for 6, raising his arms to celebrate, and immediately doubling over in pain was particularly memorable.

The semi-final was another classic. Everybody stepped up and fought incredibly hard. Bowling first was tough, as their paid players made it look fairly easy. Jacko however just about demanded the ball, and backed it up immediately, picking up a wicket with his 3rd ball. That buoyed the spirits, particularly after I'd dislocated a finger mid-way through the innings. They ended up at 5-201, a mammoth total for a final. Dora and Steve (who was also hobbling after injuring his groin) got us off to a good start, before Turbo and I pushed on. When we both fell in the 17th over, things felt a little grim. However, the rest of the team had other ideas. Cal was the standout. Some incredible hitting kept us right in the game. He and Tom Docherty shared a 51 run partnership, of which Tanks scored 6.

It came down to the very last ball, as Jacko and Ben were able to tie the game but not get back for the 2nd. While disappointing not to move on to the grand-final, it was a truly remarkable effort from everyone involved. To chase down over 200 in a semi-final is something that I'll never forget.

My personal highlight for the season was probably seeing the beginnings of the next generation of the first XI beginning to make themselves known. I feel pretty confident in saying that we would have had the youngest team on average over the course of the season. Seeing a quality crop of players coming through all under the age of 23 (a number under 20 even) is very exciting, and I look forward to seeing how they continue to develop over the coming years.

I'd like to thank all of those that played in the side this year for their commitment, their passion, and their willingness to step up and take on the game when called upon. They made my first season as captain that much easier. I'd also like to thank Russ Flint, Tom Bach, and Steve O'Connell in particular. Their guidance, advice, and experience at different moments across the season was crucial and helped me to be a better captain.

A huge thanks also to the selection team, Fenno and the rest of the committee, the other captains, to my vice-captains Dion and Cal, and to the entire extended club. The First XI would be nothing without the support that comes from everyone, official position or no.

Finally, I'd like to acknowledge Paulie for his incredible efforts as chairman of selectors this season. In what was an incredibly difficult year, to have fielded 6 senior sides week in week out is no small achievement.

I'm already looking forward to next season, and hopefully going 2 steps further!  
Go Saints!

Angus Hamilton  
Captain

## Second XI Report- Menzies & Mackay Shield

This season we looked to put the 2nd XI back to where it belongs - up the ladder and being an important link in developing potential 1s players. We look back and believe this was achieved, despite being unable to achieve a win on grand final day.

A new look 2s meant that the 'young and old' combination of Jack Donaldson and myself would co-captain for 2021/22, both for the first time. This is something that we both enjoyed beyond expectation and I'd like to congratulate and thank Jack on an exceptional year in the role. Not only did Jack continue to develop his cricketing and decision-making ability, he juggled it with junior coaching responsibilities, predominantly in socks & thongs, a staggering amount of swear words thrown in, yet all topped off with an infectious, relaxed North Queensland giggle.

During the season we fielded a hefty 36 players, won 11 home & away games and a semi-final and reached a Grand Final against a formidable opponent in Clifton Hill. Included in this was a powerful run of 11.5 wins (including a washout where we had Northcote 5/60). Most importantly, we had a remarkable season full of fun. I now fully appreciate the difficulty in continuing to develop a proud, inclusive and supportive STC culture within a team in a relatively short period. Jack and I sincerely appreciate all 36 players that contributed on (and equally off) field, other team captains and the selection committee for their support during the season. Little things like weekly music playlists while batting / scoring and development of player nicknames while fielding, kept our energy up and proved that having fun together can equal scoreboard results.

A number of individual highlights during the season included knocks from Dom Hando (93 at Glen Waverley Cougars & 89\* Vs St Paul's the following week), Russ Flint (65 Vs Toorak Prahran & 71 Vs St Paul's) and Hugh Hamilton (78 vs Monash, 92 Vs West Ivanhoe and 51 Vs Clifton Hill in consecutive weeks), all ensured we regularly posted significant totals and gave our young bowling line up confidence to defend.

With the ball, Loz Colman bowled with exceptional accuracy and stinginess, at one point amounting combined figures of 12/64 from 47 overs, including a 3/6 from 8 overs Vs Glen Waverley Cougars. Hamish MacMillan (4 x 3 wicket hauls including 3/19 off 8 overs in the Semi Final) and Luke Worthy (11 wickets including 3/27 Vs Clifton Hill) showed terrific development and will ensure the 1s and 2s have a strong, tall and accurate bowling attack for years to come. The evergreen Brendan David (17 wickets including 4/15 vs Monash) also provided strong leadership with the ball and was continually a threat for us when called upon.

Complimenting these results were contributions from players that we knew we couldn't hold onto all season. Mark Shallue (103no Vs Glen Waverley Cougars and 50 Vs Monash) and Sam Dooley (4/30 Vs Cougars) returned overseas before finals but not before providing some excellent performances and leadership to our young team members.

We reached the Semi Final Vs West Ivanhoe United with a great amount of belief and momentum. Winning the toss we elected to bat on a quick Hartwell ground, where we had built a strong reputation throughout the year. Finals pressure set in early where we slipped to 2/16 however as has been the case all season, someone saw this as the time to step up and in this case it was Matt Williams. Playing a relatively controlled innings for Willow and despite a little luck, he strongly led us out of trouble and amounted an immensely important 75 from 87 balls. Losing partners a little too regularly, vital support was found in Brendan David (18 from 37), who helped us to bat out our 40 overs and reach a competitive 146.

Aware of the opposition batting strengths, we had a relatively simple 'full and outside off' game plan that we could set a field to. Our young bowlers in Luke Worthy, Hamish MacMillan and Jack Urquhart executed this so impressively that we had them 5/23 from 13 overs. Despite maintaining control for most of the innings, we knew we had to remove the opposition number 4, who had reached 59 and had them requiring 6 an over from the last 6 overs with 3 wickets in hand. Hugh Hamilton entered the attack, took two wickets in his first over including the prized number 4 and a final runout sealed victory by 23 runs. It was a hugely impressive bowling and fielding performance in a pressure situation, we were off to the Grand Final!

We faced Clifton Hill in the Grand Final, who had only lost one game all season (to us). Winning the toss again, we decided to bat. Despite a couple of early wickets, including the in-form Matt Williams copping an awfully unlucky non-striker runout, we were confident at drinks at 2/79 from 20 overs. Unfortunately, this was the point where our batting took an unexpected turn and two of Clifton Hill's slower bowlers cleaned up our middle and lower order within 12 overs. We were left to try to defend 96. Our guys should be immensely proud with the attitude we walked out to field with, so soon after a somewhat disappointing batting performance. An early wicket from Loz Colman gave us brief hope however it was Clifton Hill's day and they passed us 3 down in 30 overs. It is important to mention the sideline sea of red out in force on the day and it was fully appreciated by our players, thank you all!

As should be the case in a year where a Grand Final is reached, there are a significant number of positives to draw from the 2s this year.

It's a brilliant reflection of a season when we can happily throw the ball in a clutch situation to a 14, 17 or 18 year old and then see multiple volunteers for tough batting roles each week – we played with a team first mentality all year. We can also proudly say that:

- we were the only team to beat eventual premiers Clifton Hill
- many of our players reached a grand final in the 2s for the first time
- we had young (and some older) players experience and perform in the pressure situation of finals
- The 2nd XI improved from 7th to 2nd in 1 season
- The average team age was regularly under 25 years – a terrific sign moving forward

An inclusive and supportive environment is what we all wish to achieve at STC and I am sincerely thankful to all who contributed to the 2nd XI in 2021/22, it was always enjoyable and the on-field successes were purely a by-product of this environment. The 2s is in an excellent position to go one better next season!

Tom Sandilands & Jack Donaldson  
Second XI Co-Captains

## Third XI Report- Wilson Shield

This season was all about trying to stay up in C Grade as we had been promoted after our flag season last year. The previous time the team was in C Grade we were quickly relegated as we were not competitive at all. But there was a different air this season. We had belief, we had the talent, and we had the desire to do well.

Unfortunately, the season didn't really start off in the way we wanted and at the Christmas break we had only won 2 of our first 5 games. The dual captaincy of Fenno and Kale was working well and the sign were there, we just needed to put have some consistency from the team. We had had several different good performances but not in the same games and we were just 'feeling out' the opposition we were encountering for a first time. We realised that the competition was not actually that different to what we had encountered previously. So, the back half of the season was flagged as the time for us to shine.

It had been great to see the new junior faces play their first games in the team, and they contributed well and all the 'old' players loved seeing the enthusiasm and excitement that these young fellas brought with them.

We won't our next 4 games which included some our team's only century of the season – Mike Van Der Meer tonning up against old foes North Balwyn. We slo had Ryan Schifferle pull out a 5 wicket haul against West Ivanhoe. Ryan's 5/14 from 7 overs helped skittle the opposition for a very low score.

We were sitting 3rd on the ladder by now and with only a few games left the dream of finals was alive and the commitment form the team was increasing. We were seeing more consistent batting and bowling from Alex King, Kale Wren and Oscar King. They were ably support by Fabian D'Addazio, Beau Coyle and Aneek Sengupta. Even Fenno was stating to score a couple of runs (just a couple).

The competition had been dominated by Mulgrave during the season (and also to a degree by Richmond Union). In our second shot at Mulgrave, the stresses of cricket (and decisions made by the umpiring) led to a blow up and an almost led to an all-in. The club had not seen anything like this for many years and the action was swift and decisive.

Still, we managed to beat Richmond Union in the return round, even though we had a few players taking forced holiday.

We finished off the season with a few wins that left us sitting 3rd at the end of the regular season. Not only had we been competitive during the season and finish out of the relegation zone but we had in fact cemented ourselves into 3rd. What a great result for a team that moved up a division, played 40 players during the season including about 15 juniors.

We were matched again Richmond Union for the semi. Both teams had beaten one another during the season, and it was pegged to be an epic game. Sadly, we couldn't live up to the hype and fell well short In the match. But nonetheless we had had a great season

If we had have made the grad final we would have won because in the other semi, 4th placed Monash beat the undefeated Mulgrave (there were official umpires for that game – no wonder they didn't win) – and we had beaten Monash twice during the season.

We know next season holds no fear for us and we will relish the challenge to even better in 2022/23.

## Fourth XI Report- Carr Shield

As a captain for the first time in the 2021/22 season I had the privilege of taking charge of the 4s. We took part in LOC8 with the 5s taking residence in LOC9 and the 6s competing in LOC5. Supreme Leader, Nick Fennessy, was very kind in allowing us to utilise Nettleton Park as our home for the season.

The season got off to a somewhat rocky start as we fell short against Ashwood at home in Round 1. However, we bounced back with strong wins in Round 2 (away against West Ivanhoe), Round 3 (home against Knox Churches) and Round 4 (away against Richmond Union). In Round 5, the last game before the Christmas break, we took on our undefeated arch rivals, AYC Harlequins, at home – unfortunately we were unable to get job done but we were competitive and knew that at close to full strength we would be able to exact revenge. We returned from the Christmas break for Round 6 to play Glen Waverley (Sunday) away from home. Unfortunately for us, Glen Waverley's team above had a week off (a so-called and dreaded 'COVID bye') so they were able to drop a couple of quality players down a grade and were just too good for us on the day. At 3-3 after 6 rounds we knew that our season was hanging by a thread and that we needed to gather some momentum in order to stave off those vying for a place in the top 4. Momentum is exactly what we found. Scalps for the 4s over the coming rounds included Malvern Valley (Round 7), Ashwood (Round 8), West Ivanhoe (Round 9, team captained by Joey Moorhead in my absence), Knox Churches (Round 10), Richmond Union (Round 11) and AYC Harlequins (Round 12, team captained by Joey again in my absence). We were looking fearsome. We were looking mighty. And after knocking off AYC and moving to 9-3 after 12 rounds, we were talking flags! In Round 13 we came against Burwood Uniting Canterbury (BUC) for the first time. This was a huge match with us sitting in 2nd and BUC placed in 3rd. We knew that in all likelihood it would turn out to be a curtain raiser for the Semi Final. BUC had also only lost 3 games during the season (1 when they only had 9 players and 2 by forfeit). Unfortunately we did not have a full strength team available. BUC ended up getting the result in Round 13 but it was by no means a blowout and we were confident that we would be able to push them in the Semi Final. We bounced back against Mont Albert comprehensively in Round 14 and in doing so were able to lock in 2nd spot on the ladder and a home final against BUC.

We were confident in the week leading up to the Semi Final with a very good attendance by 4s standards at training on the Thursday. Our selected team was also much stronger than it was in the Round 13 fixture. Unfortunately, on the Saturday morning, one of our star batters, Kingsley Hill, was required to move up to the 3s as a result of Russ Flint becoming unavailable for the 2s (c'mon Russ!). Notwithstanding the loss of Kingsley, we still had a very strong line up comprising: (1) Joey Moorhead; (2) Jacob Nazroo; (3) Thushan Hettiarachchi; (4) Lachie Kennedy; (5) myself; (6) David Kuster; (7) Nick Scacco; (8) Richard Bland; (9) Gaz Douglas; (10) Finn Grogan; and (11) Patty Martin. For the first time in the season I lost the toss and BUC elected to bat. Given that the sun was shining and that Nettleton Park is a postage stamp, batting was the logical decision and was what we (probably) wanted to do first.

We opened the bowling with Patty Martin and Richard Bland, who each did an excellent job, however, we were unable to get the early breakthrough which we so desperately desired. Patty and Bland finished with figures of 0/35 and 0/34 respectively off 7 overs straight – great figures for a final on Nettleton. We then brought on David Kuster and Nick Scacco with our first change. It did not take long for Kuster and Scacco to make an impact – within the space of two overs we had removed both of BUC's openers for 30 (caught P Martin, bowled N Scacco) and 46 (caught J Moorhead, bowled D Kuster) respectively. Kuster bowled his 7 overs in a row and finished with great figures of 1/31, however, we took Scacco off after 5 overs in order to save him for the death. Over the next 15 overs we found out that we were probably a bowler short. We made use of the formidable Gary Douglas (4 overs of left-arm medium, 1 wicket), Finn Grogan (1 over of right-arm leg spin) and Jacob Nazroo (2 overs of right-arm off spin). Frustratingly, BUC's middle-order sloggers were not in a respectful mood and were able to move the runs along at a rate in excess of 10 an over during this patch. BUC finished on 3/240 after 35 overs.

Although 240 is a decent score on Nettleton, we knew that we could chase it down if we batted well. That said, we did not get off to the start which we were hoping for. After 8 balls, we were 3/2 with Joey Moorhead gone for 0, Thushan Hettiarachchi for 1 and Lachie Kennedy for 0. That brought me to the crease to join star opener, Jacob Nazroo. We plodded away for the next 15 overs with a view to trying to consolidate a foundation off which we could potentially mount a late onslaught. Naz batted superbly and retired on 50. I batted less superbly and managed to chop one onto my stumps on 21. That brought out Kuster and Scacco together. Our best hope at this point was to have one of Kuster or Scacco retire on 50 and then start swinging with a view to getting Naz back out there for a late chase. Kuster and Scacco did a great job and put on a 50-run partnership, however, by that time, it was time to start moving the run rate along and in trying to do so, Kuster was run out on 16. Scacco did not last much longer and was walking off the stamp on 35 – a formidable innings in the circumstances. At this point we were in strife with the run rate required in excess of 10 an over. We did not want to die wondering so the message was for Blandy, Gaz, Finn and Patty to swing until Naz was back at the crease. We wanted Naz to face as many balls as possible. Blandy, Gaz and Finn all went out cheaply doing the team thing, which meant that Naz was able to return to the crease where he united with Patty. They did not die wondering. Naz hit a six off his first ball (over square leg) and a four off his second ball (with a ramp shot!). Patty hit a delicious shot through mid wicket for four. The crowd at this stage was well and truly alive. Only 80 runs to get? Could we do it? Unfortunately it was not to be the case. Our dreams of a Grand Final berth were shattered at the same time that Patty's stumps were shattered. Naz finished on an outstanding 60 not out.

Although we did not achieve the ultimate success in the 2021/22 season, we will look back on it as a very enjoyable season. We had a lot of fun. Moreover, we're excited to build on what we achieved this season in the 2022/23 season. There is a feeling that we're working towards something great and there is certainly no better place for us to do it than at STC.

Across the season we had 40 players take part in the campaign. I was super pleased to have so many great people get a taste of STC 4s cricket. For a number of players it was their first introduction to STC cricket and our great culture.

It would be remiss of me not to mention a few of our outstanding performers this season:

- On the batting front, special mentions to Jacob Nazroo (opener, 6 games, 273 runs @ 273), David Kuster (middle order, 13 games, 264 runs @ 33), Joey Moorhead (opener, 12 games, 195 runs @ 19.50), Kingsley Hill (top order, 4 games, 131 runs @ 43.67), Richard Bland (lower order, 14 games, 127 runs @ 18.14), Nick Scacco (middle order, 6 games, 122 runs @ 40.67) and Sam Bourke (middle order, 5 games, 117 runs @ 39).
- On the bowling front, special mentions to Richard Bland (left-arm swing, 14 games, 18 wickets @ 19.33), Gary Douglas (left-arm medium, 11 games, 10 wickets @ 29.80), Patty Martin (right-arm pace, 7 games, 8 wickets @ 20.25), David Kuster (right-arm pace, 13 games, 7 wickets @ 25), Richard Harris (right-arm medium, 7 games, 6 wickets @ 22.17), Nick Scacco (right-arm pace, 6 games, 5 wickets @ 28) and Finn Grogan (right-arm leg spin, 8 games, 5 wickets @ 41).

I'm already looking forward to next season and to taking one step further forward with the great bunch of lads which we have at STC.

Go Saints!

Sid Jones

## Fifth XI Report- McIntyre Shield

The 21/22 season also known as the COVID season 2.0, was again a different season with a few cancelled games due to COVID 19 however this didn't discourage the playing group. We had great numbers weekly and an injection of under 14 and under 16 players participating in their first senior games. 35 men made up the 5XI this season and I was honoured to lead the team and tried to ensure every member was valued and had a role within the team.

On field we had a very solid season which saw us finishing the season as minor premiers with 9 wins, 3 losses and 2 covid draws and charging into a home final. The semi-final didn't quite go to plan as we were short a few runs in the end going down to the eventual premiers of LOC9. Overall, it was an amazing achievement for the team to finish top of the ladder and play in a final and gives us belief that we can go all the way next season.

The bowling award was a hot contested award this season with the young under 14's player Paddy Macmillan starting the season off fantastically. After 3 games Paddy had taken 9 wickets at an average of less than 4! The amazing start for Paddy had him leading the wicket taking for the whole club for the first 3 weeks of the season. Paddy ended the season with 12 wickets at an average of 12.50 which was enough to lock up the bowling award. Ben Logan came in second with 13 wickets with an average of 21.31, Tristan Hunt came in third with 12 wickets at 14.33 not bad in his first season. A special mention to James Salathiel and Henry Docherty who also had great bowling performances which resulted in playing a few games in higher teams which impacted their ability to contest for the 5XI bowling award.

The batting award was a not as tight as the bowling this season. The award was won by myself with a total of 295 runs at an average of 49.17, retiring with 4 half centuries along the way. The exciting side of batting was seeing young under 14 players Tyler Murray and Jordan Katiforis who occupied spots at the top of the order with me and batted terrifically. Tyler and Jordy both made 50's this season and developed there batting. Jordy finished the season in second spot with 168 runs at an average of 33.60. Tyler and Tristan came in equal third with 136 runs at an average of 34.00. We also had other great batting performances with the following players making half centuries this season Peter Morrison, Nick Fennessy, Kingsley Hill, and Tristan Hunt. Tristan's first 50 was a season highlight coming off 18 balls where he was dealing in boundaries only.

Team champion award was won by myself with 475 points comprising of 295 runs, 10 wickets, 6 catches and 1 runout. Followed by Tristan Hunt with 332 points 136 runs, 12 wickets, 4 catches and 1 run out. Jordan finished in third with 260 point from 168 runs, 9 catches, 1 stumping and 1 wicket.

It has been an honour and a privilege to stand alongside a wonderful group of cricketers this season and I have total faith in what we can achieve going forward.

Marc Mansour  
5XI Captain

## Sixth Report- Minahan Shield

The Club 11 (also known as the 6XI) were brimming with confidence going into Season 21/22. A solid commitment from the squad and a move back to LOC5 after a tough season in LOC4 motivated a few pre-season training sessions.

Co-captains (Dave Martin and Ken Boal) were generally spoiled for choice each week, with plenty of solid batsman and bowlers, a couple of handy keepers in Pearce and Toohey, but athletic fieldsmen were mostly unavailable.

The season kicked off with a big win against cellar dwellers Monash Uni, but things got interesting in Round 2 with an incredible tie against the eventual finalist Clifton Hill. Chasing 188 after some great bowling by Karl Langkau (3/19) and our first female player in Molly Pearce, we managed a tie thanks to big 50s from Littler and Langkau and a very handy 26 by Johnno Anderson. Requiring two off the last ball, Boal was only good enough for a single to fine leg.

Round 3 continued our good form easily despatching Ashy Willows (who went on to finals) with Dan Burt 50, Will Pearce 4/15 and K Boal 2/0 off 4 maidens. We were looking forward to doubling up on Ashy Willows later in the season but were robbed due to Covid unavailability by the opposition.

Up to Christmas we were sitting 3 wins, 1 loss, 1 tie, and looking at the calendar to free up time for finals. After Christmas though we have historically had a poor run of form (winning no matches in the previous year), but we only just missed out in Rd 7 to top team St Pauls in a tight encounter under-manned. Littler chiming in with a big 50 and on-loan from Vets Alex Braham a nice 50 too.

The Clifton Hill re-match was tight at home ground. One of 4 very close games which we lost, going down to the wire in the last over. Posting 145 was never enough, with Langkau top scoring with 38 but not enough batsman going on after good starts. Jamo (3/16 off 8), Langkau (2/26 off 8) and W. Pearce (0/24 off 8) all bowled well but they chased us down with only two wickets remaining. Boal putting one in the slot on the last ball for the tail ender to dispatch.

The season started to get serious if we were going to make finals and the Ashy no-show in Round 10 cost us dearly, having to share the points, but we still had our own destiny in our hands with wins needed against top teams coming home. Mulgrave was taken care of at home (Tim Macmillan a great 50) and Andrew Mac Makowski a brilliant 5/21. Co-captain Martin was giving me the evil eye to rest Mac at 0/21 but I had faith and big Mac certainly delivered with 5 for none in his next 3 overs.

Another solid win against AYC Harlequins in Rd 11. Chasing 168 (Boal 2/22 and Jamo 2/34), Burt (50no), Tim Mac another great 45no, and Langkau 34no easily got the job done. We are in the top4 with two rounds to play! But top teams Bulleen and St Pauls await.

Bulleen did prove too strong, the eventual LOC5 premiers dispatched us scoring 6/204 with big skip Dave Martin valiantly chasing down a ball badly pulling his quad, and then remaining at cow to take a great catch (well, it went straight to him luckily). Littler 41 and Tim Mac again with 37 didn't have enough company and we managed 160.

However, with a solid win in the last game we would be playing finals, so everyone arrived pumped and a bit nervous to take on top team St Pauls, home at Cooper Reserve. We posted 9/165 with Will Pearce 35 and T Mac 31 top scoring, probably 10-20 shy of what we wanted. St Pauls opening bat got us again with a solid 50 and they were off to a good start. Persistence paid off though and the boys rallied hard, with some tight bowling including Kingy 2/9, and all the bowlers (Will Pearce, K Boal, Jamo, Mac, Langkau and Nunan) keeping us in it till the last over. They needed 7 and got those with a ball remaining.

So the four close games cost us, and of course the no-show by Ashy, but otherwise a great season finishing fifth, only one game off finals, with 6 wins, 5 losses and one tie. Solid improvement in the batting with lots of good scores by Littler, Burt, T Mac, Langkau, and Martin. Bowling was tidy with wickets evenly spread and lots to choose from amongst W Pearce, Jamo, Langkau, Nunan, Mac, and

Boal. Some handy part-timers from Martin, Higgins and T Mac possibly under-used. Keeping duties transferred from the injured old man Pearce to Damien Toohey and he didn't disappoint taking lots of great catches and frugal in the byes department. We were also missing some big guns in Foldi and Groves with injuries benching them for most of the season.

Catches win matches and we took most, but a few clangers we let go, with notable offenders to be quarantined for practice at the off-season trip.

The Club 11 enjoyed Season21/22 with a great group of guys, some great cricket and excellent memories. Drinks after the game the absolute highlight regaling the match antics. Waking up sore for at least 2 days was worth it again and we will be back in 22/23.

## Veterans 1XI Report- PCFA Shield

Vets Div 1 report 2021/22

Despite another delay to the season due to Covid we entered another season with confidence we would be highly competitive with the majority of our playing group signing on for one more year and chasing our 4th flag in a row after competing in 5 grand finals in a row.

A number of absences in round 1 due to Covid, holidays and injury left us a little undermanned. Despite that we were in the game against Brandon Park until just falling short.

That lead us to play Deakin in round 2, who had just come into the competition and had a dominant round 1 performance. With some players back we put in a strong performance but were outclassed by a team that consisted of a number of Sri Lankan internationals. In fact, every player bar one had played first class cricket so we were always up against it.

With round 3 a bye, we moved on to r 4 needing a win. Sadly we were decimated by injury and covid outs and were 2 players down but we fought hard to go down in the last over.

In what seems laughable, we were still a chance to make finals going into the last round even though we were winless, except for the bye. A big win against North Alphington could get us through. With a full squad and plenty to play for we had our best performance of the year and won well with 4th place on the ladder our reward.

Our semi against Burwood was our most dominant display where we scored 252 batting first and then restricting them to 185. Judd (43) and Richardson (40) both retired with Urquhart (38) and Duane (32) also making run. With the ball Westmore took 3 and Huggins and O'Sullivan 2 each.

Advancing to our 6th grand final in a row we had a big challenge taking on Deakin. Losing the toss and bowling first, I could not of been more prouder of our boys effort. We bowled and fielded the best we have ever done restricting Deakin to their lowest score (173) in 4 years (NB – this may be untrue!). We were confident our batting could chase these runs down until Deakin decided to “park the bus” and have all players on the boundary bar 3, who were also 40 metres from the bat. This made it almost impossible to hit boundaries on a big ground and left us 30 runs short. Disappointing and certainly not the way we play cricket.

Still another good season and super fun with an awesome group!

Congrats must go to top run scorer Scott Duane 183 @45.75 followed by Cam Judd 158 @79.

With the ball Tim O'Sullivan was outstanding with 9 wickets @12.33 and Luke Westmore 6 @17.50.

Champion Player was Tim O'Sullivan with 224 points narrowly beating Scott Duane on 223.

Thanks again to everyone involved – we will be back!

Pat Hall

## Veterans 2XI (Legends) Report

Similar to the year prior, the Vets had a very late start to our season opener, and another truncated season of 5 games. Once again, bursting with excitement, we actually got some pre season knocks in to iron out a few kinks and get the body back into a vague understanding of how to move again.

The 1st game of the year was against a new team to the comp, so we were unclear on how we might go. With another handy new recruit in tow, we thought we were in with a chance, especially as we held them to a reasonable score on a big ground. The lowlight early on was the new recruit Rohan doing his hamstring bowling spinners on his 5th ball. Not an unusual injury in our game and we saw a few more hammys go through the season.

We didn't quite get the runs but had some great efforts from Rohan (with dodgy hammy) with 33n.o., Parso with 36 and Pete Martin with a swashbuckling 25 off 18, before he was controversially out, hit wicket (with a ball that had made it to the boundary quickly).

The 2nd game, we were well outclassed, by a team that put on a big score of 246, whereas we could only muster up 177. Another great debut, but this time by our club president, Nick Fennessy whose score of 42 was a great help to the team.

Game 3 was once again at home, and the big Xmas game, against an old nemesis in Donvale. Last years act of calling at 11am on the day of the game to ask for a draw because they couldn't field enough players was almost bettered, when they did turn up, but unbeknown to us at the start were again short of players. We didn't realise until they didn't send out a square leg umpire, and by the 13th over when we discovered they didn't have a 7th player either, we were quite miffed. We managed to secure a quick win within 14 overs of batting and were able to join in the sideline festivities a lot sooner than expected. Shack scored a great 32 no, whilst Brett Langley bowled nearly half their side out (2/11).

The last 2 games of the season were nailbiters, where we just fell short of victory. The last game in particular, where we were just 2 runs short of victory, where, had we won the game, would have made the finals.

Key performances from those games, along with another welcome debut of bowling machine Ken Boal, were Knotty's 3/37 against Canterbury, along with great batting performances from 4 retirees (Parso 44, Rohan Appleton 42, Nick Adams 42 and Brett Langley 40) and Game 5 highlights of Shack 43no, Parso 37, Pete 28 and Nick 26.

Overall it was great to be able to get out again and enjoy the occasional Sunday with mates, mocking each others shortcomings (of which there are a few) and celebrating their successes. It was an enjoyable season, where we hope to have more success on the field next year. Whilst we are getting older, the experience builds. Thanks again for another great year.

## STC - South Camberwell Cricket Club End of Season Junior Report

### Season 2021 – 2022

Hi,

Another successful season at STC, South Camberwell Cricket Club has come to an end and I would like to personally thank you all for once again helping to make it a great experience for your children.

Whether you coached, was team manager, scored, helped umpire, set up grounds, was covid officer or eagerly supported the kids, you all make a positive contribution to the cricket club and the experiences our children enjoy.

We have certainly achieved a great deal over some challenging years, which we can all be proud of:

- Record Junior registration numbers year on year
- The introduction of a successful girls cricket program that has thrived and will only grow further
- Multiple Finals and/ or Premierships across all seasons
- ECA Representative Players across all age grades
- Growing numbers of our Juniors playing in STC Senior Teams
- Recognition of Junior achievements on Honour Boards in the club rooms
- Significant contributor to the refurbishment of the cricket nets and in front of the pavilion.
- New Merchandise
- A more role based and accessible committee

These are just to name a few!

On the last point, at our recent Junior Operations Committee (the final for season 21/22), we filled some of the ratified roles in the new structure. There are still roles remaining which require some eager new parents, with a desire to take the Junior Club forward.

The structure looks like this – those highlighted are currently vacant or to be confirmed:

- Junior President – TBC
- JOC Secretary – Cam Walker
- Girls Cricket Manager – Steve O’Connell
- Equipment Manager – Nick Johnston
- Uniform/Merchandise - Sarah Lethlean
- Kiosk Manager – Tim Macmillan
- Talent Development Manager – Hamish MacMillan – candidate supported by PM)
- Manager U13:U17 – Nick Adams
- Manager U12 – Sarah Lethlean
- Manager U10 – TBC
- Junior Blast – Mark Ceveri
- Manager Awards – Claire Knihnicki
- General Committee member – Paul Urquhart
- Committee Observer: suited to someone new to the Committee – TBC

As you can see one of the roles available is the Junior President role. After 6 years on the committee and 3 years as Junior President, I have advised the committee that this has been my last year in the role – it has been fulfilling, most enjoyable to help drive the direction of the club for my sons and all the children, however it is time for someone new to lead the fresh ideas and management of the Juniors going forward.

Nominations for role of Junior President are to be provided at the Club AGM which is held in June. Once accepted that person, along with the Junior Secretary (Cam Walker) will arrange the agenda for the first Junior Operations meeting to be held on Wednesday, July 27th. At this meeting (or before for that matter), the opportunity to nominate for the remaining roles will be open.

Each portfolio (including that of Junior President) has been created to cover all aspects of running a junior cricket club, while not being an onerous task for the individual (or individuals if shared), but meaty enough to enable the person to make a positive difference and keep driving the Club forward. I can guarantee that any and all new members will have access to all the support they need from myself and other committee members. It is important that the Committee keeps regenerating with new Committee members and that there is a good balance between male and female committee members.

From firsthand experience, the satisfaction one gets from seeing the happiness on their kids' faces when they experience their parent / guardian actively participating to ensure they have the infrastructure and support to play community sport is quite special.

I hope there are those amongst us who want to come along and share their individual expertise in joining this great Junior Club Committee.

Please enjoy the summaries for each team attached.

Thank you all again.

**Pete**  
**President – Junior Cricket (Outgoing)**  
**STC, South Camberwell Cricket Club**

## Girls Team Season 2021/22

Well what a great start to the girls program we have had at STC. In our inaugural season we had a total of 24 girls attend our Sunday skill sessions and from these 24 we had 13 girls who participated in our Wednesday evening master blaster games run by the IEGC (Inner East girls cricket).

Amongst all the cart wheels and hand stands it was great to see the improvement of the girls cricket skills throughout the season which they showcased in the games on Wednesday evening. The girls brought a great team environment in both the Sunday sessions and Wednesday games and there were some great individual moments in their games. Chiara McMullin hit our first six, Amelie O'Connell, Annabella Berne, Piper Fennessy, Eleanor Aldcroft and Emily Sharpe all took wickets bowled and it was great to see the young brigade of Asha, Christa, Annabella and Imogen participating in these games.

STC definitely set a high bar when we hosted the first Wednesday blaster round robin of the season. Thanks to Pete Martin, Nick Fennessy and the junior and senior committee for putting on such an entertaining evening. It was a memorable event.

A big thank you also to Cam and Lachie Walker, Hamish Macmillan & Peter Morrison for their Sunday morning assistance. Dan Sharpe and senior president Nick Fennessy were of enormous help for the entire season both at training and on game day on and off the field.

Our registered girls for the season are listed below and I look forward to seeing all of them again plus I'm sure a lot more next season as our participation and teams grow from the great success and enjoyment everyone has had this season.

O'Connell, Amelie  
 Styring, Thea  
 Aldcroft, Eleanor  
 Sharpe, Emily  
 Walker, Amelia  
 McMullin, Christa  
 O'Connell,  
 Imogen

Hall, Rosie  
 Knott, Zoe  
 Fennessy, Piper  
 Berne, Annabella  
 McMullin, Chiara  
 D'Anna, Mietta  
 Cardone, Georgie  
 Gallagher, Alice  
 Spithill, Gemma  
 Spithill, Ellie  
 Teixeira, Lucy  
 Nieroshan, Asha  
 Tardif, Riley

See you all next season!  
 Thanks Steve O'Connell

## U10 Combined

As another highly successful cricket season has come to a close at STC, we reflect on another enjoyable season with the U10 group. For some, this was their first introduction to the game of cricket and for others it was their second season with the club. From a coaching perspective, Nick, Marcus and Mark were thrilled to see the passion that each player displayed, the team spirit and sportsmanship shown and the enjoyment that was evident during each training session or game day. Like all 9-10 year old boys, the scoreboard was a major focus point, but to their credit - win, lose or draw was delivered in a professional manner. Ironically, we did have a draw during our inter-club practice match, which was followed by a very successful "kids V's parents" scratch match! Although the boys played very well, the real stars of the show were the parents and in particular the Mum's, who showed impressive amounts of hidden talent. Nikki Bye top scored, closely followed by Sharna Distefano.

Overall, the standard of cricket played by each U10 STC team was exceptional. The growth in the first year players was fantastic to see. Their enthusiasm as they came to understand not only the rules of the game, but also developing their skills exponentially each week. We saw some outstanding batting across the season by Tom Zanoni and Fletcher Bye, while each player was given the opportunity to bat at different positions within the batting line-up each week. The accuracy, pace and impact of our bowling was evident and a significant improvement from the previous year. While the first year players adapted and learnt quickly, we saw a handful of players really focus and consistently take wickets each week. Some impressive bowling averages across the season from Gus Lethlean and Jake Reed were great to see as 2nd year players. Alfie Simons in our first year team also managed to take multiple hat-tricks!

As a coaching group, we couldn't be happier with the effort and improvement that every single player delivered in 2022. Not only did we see huge improvements, but a genuine respect for the game and each other. Jack Milhuisen, Raf Speakman and Syon Stewart were called out by the coaching group and we were excited to announce Paddy Ogilvy as the worthy recipient of the 2022 STC Spirit Award.

We also send a special thanks to all the parents who made this another great season.

## U12B Blue

The 2021/22 cricket season was a very enjoyable and successful one for the STC U12B team. After finishing the home-and-away season in second place, the team won a very tight semi-final before winning the grand final in a totally dominate display. I would like to thank all the boys for turning up each week with huge smiles on their faces and a determination to improve. By the end of the season it was evident to me and others the enormous development of the boys cricket skills.

There were several highlights during the season including:

- Ed Slattery's hat-trick in Round 5 against Koonung Heights. It was an eventful day for Ed who was named captain for the day before realizing he didn't bring his shoes to the game. After his shoes eventually arrived Ed came steaming in taking 3 wickets for one run off one over.
- Fletcher Bye came up from the U10's late in the season and proved to be a very valuable player who contributed to the team's ultimate success.
- The semi-final victory against Ashburton Willows. The hero of the day was Will Mott who remained not-out and won the game for the team.
- The grand-final victory against Edinburgh. In a totally dominate display all the boys performed at their best to keep Edinburgh to 7-53. We passed the score for the loss of only three wickets. Player of the grand final was Nick Curtain who bowled 3 very tight overs conceding only 2 runs and taking 2 wickets.

Whilst there were outstanding performances right across the squad, there can only be a select number of award winners. In the U12B's, the batting award was won by Sam Judd (329 runs, average 109), the bowling award was won by Harvey McCandlish (12 wickets, average 5.5) and the coaches award was won by Henry de Crespigny. All the boys showed amazing skill and determination to achieve some amazing individual performances.

As with any weekend sport it wouldn't be possible without parent support. I'm lucky in having an excellent group of parents who all contributed in whatever way they could. A big thank you to all of the boy's parents. I would also like to thank Tom Docherty for assisting me in coaching the team. Hopefully Tom will go on and coach his own team next year. A special thanks to Aaron Bolton who was team manager and chief strategist. His organization and analysis made my job so much easier.

We hope to see everyone back for season 2022/23!!

Coach - Cam Judd

## U12A Red

Season 2021/2022 was a story of almost for the high profile STC U/12 red team. Thrust into the top flight of ECA cricket for the first time, the boys performed admirably but in the cold light of day, fell a game short of tasting finals cricket for the first time in 2 seasons. Taking a lead from the IPL's Chennai Super Kings, coaches Martin and Gallagher took a squad mentality into the season, where player rotation was required to ensure the full squad of 15 players were given enough games to maintain their form while also balancing the need for wins in what was a very even competition.

The team started the season with a terrific win of Box Hill and also came home with a wet sail, but some close losses in between and a heartbreaking defeat in the final H&A fixture, meant we just missed the finals in a season that was again interrupted by the local Governments response to the spicy cough.

The improvement, support and teamwork that the boys showed throughout the season was the absolute highlight. We started the season very much as the underdogs in the competition, but the growth, understanding and respect for the game that the boys developed across the course of the year will hold them in great stead as they go forward with their cricket.

After a breakout 2020/21 Ben Hedley went from strength to strength this season. His clean, power hitting was the talk of the competition by early February and he almost singlehandedly kept us in games in the early stages of the season with the highlight being an unbeaten half century against Box Hill.

Bernie Bond was again a dual threat for STC during the season. A winter season spent in the weights room, saw Bond noticeably improve the speed of his bowling this year and his crisp, technically efficient batting was again of most value at the top of the order.

Anthony Alati had an outstanding season. A brave and consistent batsman, Alati's versatility became a real weapon that the STC team could use when either batting first or chasing. His incredibly accurate bowling was also a great strength and saw him ascend to the upper echelon of competition all-rounders.

As far as pure cricketers go, you don't have to look much further than Hamish Walker. The left handed batsman had some bad luck at times with the willow this year, but when he wasn't contributing on that front, he more than made up for it with his excellent out-swing pace bowling and sharp efforts in the field. The teams bowling trophy winner Caleb Martin had another strong season in the red cap. A shrewd cricketing mind, he had a huge influence on this young team with a great all round performance across the course of the year with both bat and ball, and led the team admirably a number of times.

Blake Reid was one player that looked ready to have a huge finals series. After switching bat sponsors due to a commercial disagreement early in the season, he really found his rhythm post-Christmas and could be relied upon for a run a ball innings whatever the situation of the game. He also looked to have picked up a yard of pace with his bowling during the year and was again elected leader of the social committee, a role he shows a particular enthusiasm for.

Roy Lethlean again had a very strong all-round season. His cover driving was talked about across the region, with local cricket purists known to visit STC games just to get a glimpse of him in full flight. Of equal importance was his right arm medium pace which saw him nab some vital wickets in the teams unsuccessful late season charge to the finals.

Charlie Campagna picked up where he left off last season and his rate of improvement has been astonishing. Impacted more than most by the COVID interruptions, when Campagna did play, ultimately the STC boys would win. His bowling spell of 3/9 against Richmond late in the season was a catalyst to get us within striking distance of a win.

Jack Slattery had another very good season for the boys from Gardiner Parade. When in full flight, his left arm pace bowling has been likened to a blonde Brendan Julian and he also possesses the ability to score quickly when at the crease, with his power hitting over mid wicket.

Lachlan Farrant continued his rapid rise in the CA with a terrific year. His unnervingly accurate leg spin bowling saw him claim multiple wickets during the season, and was especially valuable on the wet track against Clifton Hill. Lachie also developed some power hitting during the season, which was critical in a team where players needed to make the most of their short time at the crease.

In a year where the world lost the greatest over wrist spinner, STC excitement machine Samson Story continued his rapid rise up world leg spin rankings with another great season at Nettleton. His fast, accurate leg-spinners were a constant source of wickets for STC and never allowed opposition batting line ups to get settled. After a quiet start to the season with the willow, he exploded with a score of 17 off 20 balls in the late season win against Trinity Willison.

Jack Gallagher put together another fine season in the red cap. His extraordinary record of direct hit runouts continued early in the season, where he became known as 'the panther' in ECA circles for his ability to stalk the circle and pounce on any opportunity that presented. Jack also contributed a very strong season with both bat and ball, and should be proud of the way he has represented the club in the 2021/22 season.

Max Walker enthusiast Sam Urquhart's season was about to peak just as the team's run was cruelly cut short before the finals. With 6 wickets in the final 4 games of the season, Urquhart had found his rhythm and was becoming a genuine threat for coaches Martin and Gallagher to use. His final two balls for the season were wickets, so we anticipate a full house at Nettleton for round 1 next year as he chases a historic hat-trick 6 months in the making.

The General, Henry Ralph, was a constant source of inspiration for his more volatile teammates during the season. Ultra consistent, supportive and a cool-head in tense situations, Ralph has become an understated leader in the past two seasons. A challenging season with the bat, only inspired him to greater feats with the ball in his hand, in particular his momentum changing 2/6 against Richmond late in the season. Ralph's consistency of effort and unconditional support for his teammates saw him rewarded with the highly regarded Coleman Award at seasons end.

Talented all-round sportsman, Michael 'Ziggy' Alberts had an interrupted season, but when he was available for the team his influence was as strong as always. His accurate medium fast bowling, choreographed post wicket celebrations and late order hitting provided an important 'x-factor' for the team at many stages throughout this year's campaign.

In what could've been a challenging season where we had to balance the desire to give all the boys a game each weekend, which often meant that they only had 12-13 balls to face and two overs each to bowl, they never once complained and they took as much joy from their teammates successes as their own. It also wouldn't have been possible without the organisation and commitment of Kirsten Walker as team manager and the wonderful support of all the parents throughout the year.

Coaches – James and Pete

## U14A Red

The U14A's season showed why there is no substitute for team camaraderie and team spirit. The majority of the team this year made the step up from 14Cs to 14As, and some even from U12s! At the start of the season the coaching staff was worried that the boys would not be up to the standard of cricket that 14As requires, as we were focusing on team improvement, and making sure that all boys got a fair go, not necessarily putting winning at the centre of attention, as is the STC Junior philosophy. But little did we know that focusing on these things brought the best out of all the players and the team overall. STC did not lose a game for the first six rounds of the season, and finished third on the ladder, including making the grand final, in what was a hard fought competition.

There is no doubt that one of the highlights of the season was the batting innings against Balwyn in round 6. After a sub-par bowling innings, STC were set 187 in 21 overs. Knowing that our season was potentially on the line in this match I have never been so nervous watching a match of cricket, but I didn't need to be.

Walter Adams got the innings off to a great start, retiring with a cool but thrilling 38 off 32 balls. Despite losing a few wickets, all batsmen got a start and looked settled at the crease until they went out. After losing two wickets in two balls, and being 3/83 off 11, we were staring down the barrel of a classic STC collapse, until, on his third ball, Archie Fogarty hit a six into the playground. The next three batsmen after the third wicket absolutely tore the game to shreds, with a 42 off 20 from Archie, 42\* off 24 from Ollie Schleiger (unfortunately his last game for the season), and Elliot Broad 33\* off 16 (who often seemed to step up in the big moments, either with bat or ball).

STC chased down the runs, and more, making 207 off the 21 overs. One of the best run chases one could hope to see at this level of cricket.

STC's best bowling innings came in our semi-final. Going up against a team we had never played before, North Alphington, we only knew that batting was where they won their matches, with 4 of their batters averaging over 30, before that match. The opening bowling pair of Charlie De Crespigny and Jamie Polson worked wonders as neither batsman could manage to score. Jamie took the first wicket, which

brought their big hitter, who had scored two 70\*s to the crease. Very quickly both Hamish Walker and Paddy Macmillan were able to tie him down and get him out with the best partnership bowling seen all year. That bowling spell ended up netting 2/8 off 8 overs. Astonishing! The brilliant bowling continued, as did the wickets. Consistent wickets meant that STC always put the pressure on the batsmen, eventually bowling North Alphington out for 109 off 40 overs. Thanks to an outstanding 45 from Walter Adams, the runs were comfortably chased down.

I don't want to single anyone particular out, as has already been done at the presentation night, but as each boy contributed so much to our overall success, their individual best innings/bowling figures should be mentioned:

- Charlie De Crespigny 1/1 (3) vs Burwood
- Jamie Polson 2/6 (5) v North Alphington
- Archie Fogarty 42 v Balwyn
- Hamish Walker 1/6 (2) including 1 U14/16 MVP Vote v Surrey Hills
- Lachie Curtain 2/3 (3) v Burwood
- Tyler Murray 6 wickets @13.33
- Jordan Katiforis 34\* v Surrey Hills
- Lachie Walker 47\* v Surrey Hills
- Elliot Broad 33\* v Balwyn
- Ollie Schleiger 42\* v Balwyn
- Paddy Macmillan 3/10 (7) v North Alphington
- Lachie Walker 47\* v Surrey Hills

This season showed that our approach to ensuring that we built depth across the whole team by giving everyone fair opportunities paid handsome dividends. Not only did we compete extremely well and experience a lot of success, but it was apparent that the boys really grew together over the season. Pleasingly too, they learned to lead themselves on the field which was fantastic to see. As a coach, aside from the success we enjoyed, I can say that this season was by far the most fun and exciting I've been involved in for a long time.

Thanks to all parents that helped out throughout the year with scoring, carpools, square-leg umpiring etc. A special thanks also to Andy Polson (team manager) and Cam Walker (assistant coach). They did so much work behind the scenes and it made the season so much easier for all, so a massive thank you. I'll see you all next season.

Coach - Hamish Macmillan

## U16B Blue

### Game 1

The boys started this season with a big jump from 14B straight to 16B, and we found out about in round 1. With a bit of a rocky start to the season with covid there wasn't the best preparation. Some of the boys coming out without a training session under their belts. They went down to Kew 6-133 to 82 all out. Couple of highlights from this game; Lucas Huggins top score 36, Evan McMahan 2-2 off 2 Eddie Hall 2-11 off 2

### Game 2

After the shock of the first round the boys showed up to play, Evan winning the toss and batting. They started well at the top with both Gus G and Evan M retiring with 38 and 30, and handy contribution from Lucas H (31) give them a very defendable total 3-158. The boys bowled really well, Eddie G leading from the front with 2-13 (4), helped by Ted H, Pat H, Saveen S, and Louis J all taking 1. With this the boys held them to 126 and took home their first win for the season.

### Game 3

After the win from last week, the boys came in with a bit of confidence, but were well aware that they had a lot of work to do. They were up against Burwood arguable the best side they would play all year. The day was start with STC losing the toss and sent out to field. The boys bowled quite well and just missed a few opportunities in the field. Best Bowling came from Pat H 1-19 (2) and Saveen S was the only other bowler to take a wicket. Burwood finished up on 2-159. Seeing it was very to last weeks total that the boys set, I was quietly confident that they could do it. Unfortunately, it just wasn't our day with the bat, Louis J being the only one to hit double digits with 12. The boys fell short with 6-52.

### Game 4

The boys played Boroondara at home, they lost the toss and were sent out to field. They bowl well, only a few over went for many runs which is a great result at Nettleton. The bowling attack was led by Evan M 1-7 (2) and Gus G 1-16(2), and Boroondara finished up on 2-172. I knew 172 was a big total to chase but have confidence. Saveen and Evan opened, and we got off to a quick start. Saveen 28(27) and Evan 50(41) bringing up his first 50 for the season. Then Lucas came in and put a bit of a cameo together with Eddie, Lucas was later out in 14 over for 24(20) and the score was 3-111, at this stage they needed 62 runs off the 39 balls. This brought Gus G to the crease, and he stole the show smashing 43 (19) with 3 sixes and 5 fours finishing the game with 3 balls to spare. This had to be the best run chase I have ever seen in junior cricket. With that win STC went into Christmas 2-2 with 2 nil results, which gave a great sniff at finals.

### Game 5

The boys played Boroondara again, and I came in quietly confident in taking home a win. We played them away this time and won the toss and choose to bat. The innings was once again off to a flier with Evan notching up his second 50 for the season off only 35 balls. We ended up on 7-108 with other contributions from Gus G 26(27) and Harly 11(16). With a low total, the boys would have to bowl extremely well, unfortunately this wasn't the case on the today Boroondara chased down the total none down.

### Game 6

Up against Burwood again the boys knew they would have to bring their A game to get a win. Once again STC won the toss and batted. The batting innings was highlighted with Lucas's 50(82) who stabilised the innings made sure, there was a decent total to defend after losing 2 early wickets. Other contributions from Gus G 21(18) Saveen 10(2) brought the total to 5-103. I set the boys out with really basic instruction on how they were going to win, and this was to bowl full and outside off. They followed to a T for the first 11 over and held Burwood to 1/36. After this however, the boys loosen up and let a no-balls through and let Burwood in at the end. But I could see things starting to really click for the team.

### Game 7

This week they were off to Kew, we lost the toss and were sent into bat. As was starting to become a trend we had a collapse early in the innings. Lucas and Eddie put a partnership together in the middle scoring 26 and 36. The boys finished up with 91 probably about 30 short. They were sent out with the same instructions as last week, and they 5/76 after 16 overs and felt like we were in for a chance with couple more wickets. Unfortunately, we were just short on runs this day, bowled well all-round with Ted, Saveen, Louis, Eddie, and Evan all taking a wicket.

### Game 8

STC played Clifton Hill at home, Clifton hill won the toss and sent us in. STC was in for a special day and it was obvious from the start Evan bringing up his 3rd 50 off 35 balls, Lucas bringing up his second 50 and Louis bring up 44. This gave the boys a total 2/179 very defendable. In the bowling innings something very special happened, first Pat H took 2 wickets in 2 balls to be on a hatrick unfortunately didn't come through however was a double wicket maiden. Pat finished with figures of 2-1(2). However, the boys had another opportunity at a hatrick with Luca. Luca took a wicket in the last ball of his first over, then first ball of his second, putting him on a hatrick. Not only did he take this hatrick but he went on to take a double hatrick and another wicket in the same over. (W,W,W,W,dot,W) He finished with 5-24 (3). With these performance the boys cruised home to a 69 run win. Coming into the final round the boys needed a result to go their way and to have draw or a win to make finals.

### Game 9

The boys lined up against Trinity Wilson, they won the toss and elected to bat we bowled quite well them finishing on 9-130. Bowling figures Saveen 2-5(4), Harly 2-29(3), Louis 3-9(4), special mention to Pat in this game even though he didn't have the best bowling figures he bowled amazing had 2 dropped catches in his first over and finished with 0-15(4). We came into bat with a bit of confidence and started off steady, however were losing wickets until Pat and Elliot came together for a lengthy partnership. Unfortunately, the game had to be call for light with only 3 runs to chase, however with this result the boys snuck into 4th and finals again.

### Semi Final. Vs Burwood

Burwood won the toss and batted, the boys went out with a simple plan and to execute it well. At times this plan was executed perfectly but it just was for long enough. We let Burwood post a decent total of 6-138. Saveen was pick of the bowlers putting on a clinic bowling 3-9(4). STC went out to bat and were looking great with Evan and Lucas set and going well until there was a mix up and Evan was run out 29(28). From here the boys just didn't kick along with it and we sadly finished up 42 runs short.

However, it was a fantastic season no matter the result, all the boys developed over the year. I would like to take the chance to thank all he parents not only for all the help they have given me throughout the season but the opportunity to be able to coach their boys.

It was a fun season and hope to see you all next year.

Coach - Jack Donaldson

## U16B REDs

This season was sure to be a big step up for the boys going from dominating the U14bs to moving up to the 16b level. The team has been very successful in recent seasons with a premiership and 2 GF appearances and become unfamiliar with defeat. Things changed in the first game however with a large defeat by a much older Kew team and it became clear that this would be a different year and an opportunity to improve our game against strong opponents.

Interestingly, despite this one sided first game, the season then turned out to be one of the closest on record. We had 4 games decided in the last over and 2 games that came down to the last ball. One of these last ball matches was won and the other was lost. Possibly the highlight was against Richmond (the ultimate premiers) who scored a massive 165 but we never gave up and put on a super chase to fall just short on 163 in a nail biter.

The fact we missed 3 games due to COVID and rain all against teams lower than us on the table did not help our finals chances, and in the end that probably cost us a chance to play finals. Despite this we showed that even though we were the youngest team in the competition we more than held our own in most of our games.

Given all games were reduced to 21 overs, the team agreed on a policy of making sure everyone had a batting opportunity every second match, rather than batting every week for a much shorter innings. This enabled some great personal bests across the whole team. Some of these highest season scores included:

George Dwyer (50), Hamish (42), Ben Swift (33), Hugo a 13no and 15no (in tough conditions), Lucas (28), Henry (24), Jacob (22). In addition Josh (36), Jack (48), Lachy (55) and George Adams (51) were super consistent each scoring in aggregate over 100 for the season and lead the charge. Bowling was equally spread across the season with some great performances and individually Jack, Hamish and Lachy lead the wicket tally.

Individual awards went to George Adams for batting (162 runs at 54), Hamish O'Brien for bowling (5 wickets at 7.6) and Jack Urquhart the all-rounder award (133 runs and 8 wickets).

Thanks to Nick Johnston who again did a super job in managing the team right through the year and for all the additional parental support during the season.

We bid farewell to Henry Docherty and Lachy Hodgson who played their last junior game for the club and will now be permanently welcomed into the seniors ranks. Other than for these two boys we are looking forward to seeing everyone back for another season of U16s next year!

Coaches - Paul Urquhart / Pete Martin

#### Under 10 Red Award winners
